## Human Body Systems: Chapter 20.1 The Nervous System

**Monday:** Read Chapter 20.1 and turn-in your completed Notes

- *Read Chapter 20.1 and turn-in your completed Notes. I have **NOT** done these notes for you. This is your chance to complete a set of notes on your own to the best of your ability. Be aware that this Friday will be the UNIT 6 Test and your grade will largely relate to your notetaking skills, because you may use your notes from this chapter as well as from chapter 18.1, 18.2 and 19.1 on the Test. You are Awesome! :) 10 Points*

**Tuesday:** Complete the 20.1 Section Review Quiz in Teams

- *You may use the LSN\_Ebook, and your Guided Notes for the best possible grade. 17 Points*

**(Mandatory Online Meeting at 11:30-12:00)**

- Bring your questions
- Bring your concerns
- Bring your Kahoot! Gameface
- Remember to turn in your Kahoots to MrMillerMan

**Wednesday:** Review the 20.1 PowerPoint in Teams and turn-in your Notes

- *You may take your own notes or use any of the forms I have attached to your assignment. Then you may upload, take a picture or scan your notes before attaching it to the assignment and turning it in. 10 Points*

**Thursday:** Review 20.1 Chapter Vocabulary

*-There are several different ways to do this: (1)You may create your own document using Word and typing in the vocabulary words and definitions and then add the file to your assignment before you turn it in, (2) or you may use the form I have attached and just type the definitions in before you add the file to your assignment and turn it in, (3) or you can just write the assignments down on a piece of paper and take a picture or scan it in before adding the image to your assignment and turning it in. 10 Points*

**Friday:** No School

- *Your Unit 6 Test in Teams will post, but it is due Tuesday, May 26 to give you plenty of time to be successful.*
- *You may use all of your notes for the best possible grade. 110 Points*
  - **Yes, that is correct. This test is worth 110 points!**
