

Week 3
May 11 – 15

Mr. Dan's exciting world of Life Science Online

Human Body Systems: Chapter 19.1 Bones and Muscles

Monday: Read Chapter 19.1 and turn-in your completed Guided Notes

- *I have done the majority of the notes for you. You just have to fill in the blank spaces as you read through the chapter.*

Tuesday: Complete the Section Review Quiz in Teams

- *You may use the LSN_Ebook, and your Guided Notes for the best possible grade.*

(Mandatory Online Meeting at 11:30-12:00)

Wednesday: Review the PowerPoint in Teams and turn-in your Notes

- *You may take your own notes or use any of the forms I have attached to your assignment. Then you may upload, take a picture or scan your notes before attaching it to the assignment and turning it in.*

Thursday: Review Chapter Vocabulary

- *There are several different ways to do this: (1) You may create your own document using Word and typing in the vocabulary words and definitions and then add the file to your assignment before you turn it in, (2) or you may use the form I have attached and just type the definitions in before you add the file to your assignment and turn it in, (3) or you can just write the assignments down on a piece of paper and take a picture or scan it in before adding the image to your assignment and turning it in.*

Friday: Complete the Chapter Quiz in Teams

- *You may use all of your notes for the best possible grade.*
