Wednesday – Reflection Prompt

Write a reflective response to the following questions in a word document or just in the body of an email:

1. What is one good thing this week about the online platforms for school? Something that went well?
2. What has been something that has been difficult with the transition to online learning? What can we as teachers do to help?
3. How have the assignments for English been going? Too much? Too little? Confusing or not?
4. How have you been doing? (I am going to keep asking this question because it is important to me to see how you are holding up!)

Your reflection does not have to respond to the questions in order. Some of your responses might mix with each other. I am more interested in what you have to say than your specific format.

- Please email your response to donnw@spokaneschools.org
- Please use the subject – Week 2 Reflection

Thursday – Reading the Article

Read through “**Twice as many people in the U.S. could be fed if we all became vegan study says**” and annotate the article.

1. Look for words you don't understand and questions that you have during your first read through. Look up any words or questions you may have.
2. Read through the article again and highlight the strongest points you see. Highlight one point you disagree with.
3. Make sure you keep your notes somewhere accessible for later. You will be responding with writing a paragraph on Monday and sharing some of your thinking on Tuesday.

Friday – Flipgrid Response

Log in to your flipgrid account. You can access this through Clever or Teams. Look at the flipgrid instructions in the file if you need a step by step guide.

Respond to the following questions in your video. These questions will also appear in Flipgrid.

1. What is your favorite movie/show ever and why?
2. What do you enjoy most about school and why?

Monday – Analysis Paragraph

Write a body paragraph that follows the quoteburger structure and answers the following prompt:

“Should people in the United States become vegan?”

Quoteburger Structure:

- Topic sentence: answers the prompt and guides your paragraph
- A few short sentences that introduces the article, author, and short overview/summary of what the article was about
- Lead in to evidence.
 - Ex. In paragraph # it states....
- Evidence that supports your topic sentence
 - “-----”
- Commentary: explain how that evidence supports your topic sentence
 - This is important because....
 - This shows.....
 - This proves.....
- Concluding sentence: Final sentence to wrap up your thoughts, usually ties back to your topic sentence, maybe encourages your reader to do a specific thing, or think about something

Tuesday – Respond in Teams

Create a response in Teams that addresses the following questions:

- 1. What is the topic sentence of your body paragraph?**
- 2. What piece of evidence did you use from the article to support your thinking? Make sure you cite your evidence!**
