## Wednesday – Reflection Prompt

Write a reflective response to the following questions in a word document or just in the body of an email:

1. What have you been up to during the first 6 weeks of the suspension of schools?
2. How is your family doing throughout this?
3. How are you feeling about how the last 6 weeks went? How do you feel about the rest of the school year?
4. What is the thing you miss most about school?

Your reflection does not have to respond to the questions in order. Some of your responses might mix with each other. I am more interested in what you have to say than your specific format.

- Please email your response to [donnw@spokaneschools.org](mailto:donnw@spokaneschools.org)
- Please use the subject – Week 1 Reflection

## Thursday – Reading the Article

Read through “**Forget tough love; treating yourself with kindness is the way to go**” and annotate the article.

1. Look for words you don’t understand and questions that you have during your first read through. Look up any words or questions you may have.
2. Read through the article again and highlight the strongest four points you see. Highlight one point you disagree with.
3. Make sure you keep your notes somewhere accessible for later. You will be responding with writing a paragraph on Monday and sharing some of your thinking on Tuesday.

## **Friday – Flipgrid Response**

Log in to your flipgrid account. You can access this through Clever or Teams.

Respond to the following questions in your video. These questions will also appear in Flipgrid.

1. Who is someone you are most excited to see after the social distancing/closures? Why?
2. How good are you at self-compassion? Why do you think that is?

## Monday – Analysis Paragraph

Write a body paragraph that follows the quoteburger structure and answers the following prompt:

“Why is practicing self-compassion important?”

Quoteburger Structure:

- Topic sentence: answers the prompt and guides your paragraph
- A few short sentences that introduces the article, author, and short overview/summary of what the article was about
- Lead in to evidence.
  - Ex. In paragraph # it states....
- Evidence that supports your topic sentence
  - “-----”
- Commentary: explain how that evidence supports your topic sentence
  - This is important because....
  - This shows.....
  - This proves.....
- Concluding sentence: Final sentence to wrap up your thoughts, usually ties back to your topic sentence, maybe encourages your reader to do a specific thing, or think about something

## **Tuesday – Respond in Teams**

**Create a response in Teams that addresses the following questions:**

- 1. What is the topic sentence of your body paragraph?**
- 2. What piece of evidence did you use from the article to support your thinking? Make sure you cite your evidence!**
