Wednesday – Reflection Prompt

Write a reflective response to the following questions in a word document or just in the body of an email:

1. What are you most excited about for next school year and why?
2. What has been your best school subject this year (the one you've done the best in and feel the most success in) and why?
3. What has been your hardest school subject this year and why?
4. How have you been doing? Be specific! Tell me what you have been doing, how you are feeling, what you have been doing so you don't go stir crazy, etc. (I am going to keep asking this question because it is important to me to see how you are holding up!)

Your reflection does not have to respond to the questions in order. Some of your responses might mix with each other. I am more interested in what you have to say than your specific format.

- Please email your response to donnw@spokaneschools.org
- Please use the subject – Week 6 Reflection

Thursday – Reading the Article

Read through “**Issue Overview: Should we have zoos?**” and annotate the article.

1. Look for words you don't understand and questions that you have during your first read through. Look up any words or questions you may have.
2. Read through the article again and highlight the strongest points you see. Highlight one point you disagree with.
3. Make sure you keep your notes somewhere accessible for later. You will be responding with writing a paragraph on Monday and sharing some of your thinking on Tuesday.

Friday – Flipgrid Response

Log in to your flipgrid account. You can access this through Clever or Teams. Look at the flipgrid instructions in the file if you need a step by step guide.

Respond to the following questions in your video. These questions will also appear in Flipgrid.

1. What is your favorite musical artist and why? Favorite song of theirs?
2. What is your favorite season and why?

Monday – Analysis Paragraph

Write a body paragraph that follows the quoteburger structure and answers the following prompt:

“Should zoos continue to be open or not?”

Quoteburger Structure:

- Topic sentence: answers the prompt and guides your paragraph
- A few short sentences that introduces the article, author, and short overview/summary of what the article was about
- Lead in to evidence.
 - Ex. In paragraph # it states....
- Evidence that supports your topic sentence
 - “-----”
- Commentary: explain how that evidence supports your topic sentence
 - This is important because....
 - This shows.....
 - This proves.....
- Concluding sentence: Final sentence to wrap up your thoughts, usually ties back to your topic sentence, maybe encourages your reader to do a specific thing, or think about something

Tuesday – Respond in Teams

Create a response in Teams that addresses the following questions:

- 1. What is the topic sentence of your body paragraph?**
- 2. What piece of evidence did you use from the article to support your thinking? Make sure you cite your evidence!**
