

Thompson's Classes Week of 5/11/20

Parents: You may help your student as much as they need and you may change/modify these assignments however you think is best.
If you need help, guidance, or suggestions, please ask me! HaleyT@spokaneschools.org, (619) 354-3772, or you can send me a message in Microsoft Teams.

Our weekly virtual meeting will be in Teams this Tuesday at 12:30PM!

Class	Monday	Tuesday	Wednesday	Thursday	Friday
Targeted Academic Skills Period 2	<p>Watch CNN10 each day. In the Assignments tab of Teams, write one sentence about what you learned each day. At the end of the week, upload your five sentences.</p> <p>Practice your personal information! Write and say your full name, address, phone number, birthday (including the year), parent(s)'s names, and school name. There is a template in the Social Skills folder in Teams if you'd like to type your information.</p>	<p>Watch CNN10 and write your sentence.</p> <p>Practice your personal information! Write and say your full name, address, phone number, birthday (including the year), parent(s)'s names, and school name.</p>	<p>Watch CNN10 and write your sentence.</p> <p>News 2 You: In the Files tab up on the top of Teams, open the News 2 You Folder. Read the first half of the Article about Grow Your Own Food.</p>	<p>Watch CNN10 and write your sentence.</p> <p>News 2 You: In the Files tab up on the top of Teams, open the News 2 You Folder. Read the second half of the Article about Grow Your Own Food.</p>	<p>Watch CNN10 and write your sentence. Upload your 5 sentences to the Assignment in Teams!</p> <p>News 2 You: In the Files tab up on the top of Teams, open the News 2 You Folder. Open the article about Grow Your Own Food. Complete some of the activities at the end of the document if you can. If you can't print, write down or type the answers to the questions, especially who, what, where, when and why.</p>
Math Periods 3 and 4	<p>Assignment: Ads Math 3</p> <p>Complete the Math Assignment titled Ads Math 3 Adding Prices in the Assignment Tab of Teams. We are moving on to adding up the price of 3 items to figure out</p>	<p>MobyMax Day!</p> <p>Complete a 20 minute MobyMax session (any of the green icons). You can either go to MobyMax or login through Clever and click on the MobyMax icon</p>	<p>IEP Goal Work!</p> <p>Go into the Math folder in the Files Tab up on the top bar of Teams and watch and do the math for at least 2 videos (this can be any of the video folders-</p>	<p>Math Meeting!</p> <p>Complete Math Meeting for today. The number of days we've been in school as of today is 149. On the back, complete the top grid 3 times using the following</p>	<p>Online Practice Day!</p> <p>Go into Clever and complete a 20 minute session on one of the following programs: MobyMax, Happy Numbers, Dreambox, or XtraMath. Links are</p>

	<p>how much it'll cost altogether. You'll have to find the price of the items in the Albertsons Ad and then add up the prices. It's best to try to add up the prices by hand on a piece of scratch paper first and then check your work with a calculator. If you need to use a calculator instead of writing it out, you can. There should be a calculator on your computer, ipad, or phone. Upload your assignment when you're done in the assignments tab in Teams!</p>	<p>on Mrs. Thompson's teacher page.</p>	<p>adding, subtracting, multiplying, dividing, money counting, telling time, writing number words, word problems, or counting). At least one video needs to be about your IEP goal. You can ask Mrs. Thompson or check your math binder if you aren't sure what that is. You can also do some IEP goal work out of your Math Binder if you would prefer. Tell me how many problems you got right for the IEP goal work assignment in the assignments tab! If you do work out of your binder, you can have an adult at home check your work to see how many you got correct or you can send me a picture and I'll check it.</p>	<p>numbers: 149, 77, and 55. In the math folder in our class page's Teams files tab (up on the top bar), there is a Math Meeting folder with the video for today of me completing Math Meeting. It's titled Math Meeting 5-14-20. On the back Problem of the Day, the problem is 180-149.</p>	<p>in Mrs. Thompson's Teacher Page in Clever.</p>
<p>Living Skills Period 5</p>	<p>Tic Tac Toe Living Skills Board</p> <p>Look at the Tic Tac Toe board in the Living Skills folder in the Files tab up on the top of Teams. Between today and Friday, try to get 3 in a row by completing tasks at home.</p>	<p>Typing.Com!</p> <p>Do a 20 minute session of Typing.com. Login through Clever and then click on the Typing.com button which you can get to through either Mrs. Hoenike's or Mrs. Thompson's teacher pages in Clever.</p>	<p>Cursive!</p> <p>Practice your cursive signature about 10 times. If you'd like to create a tracing page with your name to print, you can do that at Handwriting Worksheets.</p>	<p>Typing.Com!</p> <p>Do a 20 minute session of Typing.com. Login through Clever and then click on the Typing.com button which you can get to through either Mrs. Hoenike's or Mrs. Thompson's teacher pages in Clever.</p>	<p>Tic Tac Toe Living Skills Board</p> <p>Look at the Tic Tac Toe board in the Living Skills folder in the Files tab up on the top of Teams. Between Monday and today, try to get 3 in a row by completing tasks at home.</p>

<p>Social Skills Period 6</p>	<p>Science Activity/ Following Directions & Observation</p> <p>Using the ziplock bag, paper towel and bean seeds that were sent home complete the science activity. See the video in Social Skills labeled “Science Bean Observation.”</p> <ol style="list-style-type: none"> 1. Dampen the paper towel (not dripping) 2. put the seeds in the wet paper towel and put the towel in the bag. 3. Squish all the air out of the bag and seal. 4. Tape the bag to a window with some sun and watch it from day to day. 5. The beans will begin to sprout and shed their cover within 7-10 days. If the paper towel somehow dries out, add some water back to the towel. 	<p>Problem Solving Comic (SLP activity)</p> <p>Make a comic about 2 people solving a problem. You can find the directions and examples in our Teams page, go to files, scroll down to Speech and Language folders. The assignment is social comic and directions. Go to the website below and create your own comic with 2 characters solving a problem. Be sure to have the characters discussing the problem and a possible solution. There are problem examples if you need some help. Make Beliefs Comix</p>	<p>Internet Safety: Cyberbullying</p> <p>In the files tab of Teams, open the Internet & Phone Safety PowerPoints Folder in the Social Skills folder of our class page. Open the Powerpoint titled 3-Internet Safety_Cyberbullying.</p> <p>Read through Slides 1-11. Answer the questions using complete sentences by talking with your family.</p>	<p>Internet Safety: Cyberbullying</p> <p>In the files tab of Teams, open the Internet & Phone Safety PowerPoints Folder in the Social Skills folder of our class page. Open the Powerpoint titled 3-Internet Safety_Cyberbullying.</p> <p>Go through Slides 12-23 and answer the questions using complete sentences by talking with your family.</p>	<p>Play a game with your family! This can be anything! Tic Tac Toe, Uno, Yahtzee, a puzzle, charades, shut the box etc.</p> <p>Practice turn taking, fair play, being a good winner and a gracious loser. Review rules and expectations before the game with the group so that the rules are known.</p>

Reminder: Your Clever login is the same as your computer login at school, which is on the back of your math binder. It's your last name and the last 4 digits of your student ID number @sps81.org and your password is your 8 digit birthday (example: June 4, 2005 would be 06042005). Your MobyMax login is your student ID number and your 6 digit birthday (example: June 4, 2005 would be 060405). Your MobyMax login is also on the back of your math binder. Ask me if you need help!
