	<p>do one more week of adding up the price of 3 items to figure out how much it'll cost altogether. You'll have to find the price of the items in the Albertsons Ad and then add up the prices. It's best to try to add up the prices by hand on a piece of scratch paper first and then check your work with a calculator. If you need to use a calculator instead of writing it out, you can. There should be a calculator on your computer, ipad, or phone. Upload your assignment when you're done in the assignments tab in Teams!</p>	<p>through Clever and click on the MobyMax icon on Mrs. Thompson's teacher page.</p>	<p>videos (this can be any of the video folders- adding, subtracting, multiplying, dividing, money counting, telling time, writing number words, word problems, or counting). At least one video needs to be about your IEP goal. You can ask Mrs. Thompson or check your math binder if you aren't sure what that is. You can also do some IEP goal work out of your Math Binder if you would prefer. Tell me how many problems you got right for the IEP goal work assignment in the assignments tab! If you do work out of your binder, you can have an adult at home check your work to see how many you got correct or you can send me a picture and I'll check it.</p>	<p>the top grid 3 times using the following numbers: 161, 133, and 50. In the math folder in our class page's Teams files tab (up on the top bar), there is a Math Meeting folder with the video for today of me completing Math Meeting. It's titled Math Meeting 5-21-20. On the back Problem of the Day, the problem is 180-161.</p>
