Then, look to see what bill you are paying with in the 3rd question (\$1, \$5, \$10, or \$20). Then, set up the subtraction problem. The bigger money amount needs to go on top, which will always be the amount you are paying for the item with. If you can, write out the math by hand and then check it with a calculator. If you need to use a calculator to do the subtraction, go ahead. Write the answer down below. Don't forget your dollar signs \$ and decimal points. At least one video needs to be about your IEP goal. You can ask Mrs. Thompson or check your math binder if you aren't sure what that is. You can also do some IEP goal work out of your Math Binder if you would prefer. Tell me how many problems you got right for the IEP goal work assignment in the assignments tab! If you do work out of your binder, you can have an adult at home check your work to see how many you got correct or you can send me a picture and I'll check it.</p>	<p>using the following numbers: 174, 238, and 180. Social Skills Period 6	<p>Color Monster! (SLP activity)</p> <p>Go to the Speech and Language file/folder under files. Click on the Color Monster video by Mrs. Sprague. After you watch the video draw your own color monster by clicking on the 'Color Monster Drawing Activity' just under the video. Or you can draw and color your own monster. Think about the different ways colors make you feel and different words/things that make you feel a certain emotion. My color monster would be ORANGE. Orange makes me feel warm and cozy, and think about pumpkins and fall leaves. What color monster will you draw?</p>	<p>Healthy Home Practices During COVID-19</p> <p>Watch this Social Story on Wearing a Mask about reasons to wear a mask. There is a chance that we may need to wear masks at school. If we do we should know why and have practice in how to wear them.</p> <p>After watching the video, answer these questions by talking with your family:</p> <ol style="list-style-type: none"> 1. Do we wear masks in our family? Why or why not? 2. If I have a mask, can I practice wearing it? 3. When I see other people wearing a mask, now I know why. Discuss with your family how to avoid germs and keep yourself and your family safe. 	<p>Social Distancing: What Is 6 feet? How to greet from 6 feet?</p> <p>Watch this song story on Social Distancing. While COVID is still around, it is hard to know how far apart we should be. There is a change that at school we will have to maintain 6 feet of separation next year. To prepare, we can practice and get more information.</p> <p>Think of creative ways you can greet friends and family. Practice those greetings.</p> <p>Think about a good visual for you that will show 6 feet of distance. What was yours?</p>	<p>Avoiding Germs at School: What about another school closure?</p> <p>Watch this social story about Coronavirus And School Closures. If we go back to school we need to make sure we stay healthy and germ free. Schools may end up closing again. We want to make sure we are prepared for everything.</p> <p>If we close again, what can we do to prepare? What materials should we make sure to practice?</p> <p>What would be helpful for you to continue to learn at home?</p>	<p>Play a game with your family! This can be anything! Tic Tac Toe, Uno, Yahtzee, a puzzle, charades, shut the box etc.</p> <p>Practice turn taking, fair play, being a good winner and a gracious loser. Review rules and expectations before the game with the group so that the rules are known.</p>
