

Week of: 5/18– 5/22
Geometry Learning Guide: Gellerson

Learning goals for this week include:

1. Complete the Mod 4 Topic 1 Test

Expectations:

1. Students will login to Teams to get the weekly learning plans. Click on the Files Tab – May 18th folder – Word doc
2. Students will complete work on Khan Academy or Teams, using the assigned videos and practice problems to solidify their understanding of the material.
3. Students will take advantage of the weekly Teams meetings to ask questions and get help with their assigned work.
4. Students should have weekly assignments completed and submitted by the end of the day on Sundays. Late work is always accepted.
5. Students should be working out math problems on a piece of paper or whiteboard. Many of these problems require you to work them out!
