

**Week of: 6/1 – 6/5**  
**Geometry Learning Guide: Gellerson**

**Learning goals for this week include:**

1. I can write recursive formulas for sequences.
2. I can write explicit formulas for sequences.
3. I can order rational and irrational numbers correctly.

**Expectations:**

1. Students will login to Teams to get the weekly learning plans. Click on the Files Tab – June 1<sup>st</sup> folder – Word doc
2. Students will complete work Mathia, using the assigned videos and practice problems to solidify their understanding of the material.
3. Students will take advantage of the weekly Teams meetings to ask questions and get help with their assigned work.
4. Students should have weekly assignments completed and submitted by the end of the day on Sundays. Late work is always accepted.
5. Students should be working out math problems on a piece of paper or whiteboard. Many of these problems require you to work them out!

	<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
<b>Microsoft Teams</b>	Memorial Day	Tues Lesson Live** 10:00 – 10:30	Wed Lesson Live** 10:00 – 10:30	Thurs Lesson Live** 10:00-10:30	Friday Lesson Live 10:00 – 10:30
<b>Mathia</b>	<b>Algebra II – HS Rtl Sequences</b>	<b>Algebra II – HS Rtl Sequences</b>	<b>Algebra II – HS Rtl Sequences Rational and Irrational Numbers</b>	<b>Algebra II – HS Rtl Rational and Irrational Numbers</b>	<b>Algebra II – HS Rtl Rational and Irrational Numbers</b>
<b>Other</b>	Our goal is to finish the HS Rtl unit by the end of the year. Feel free to work ahead if you are able.				

\* Weekly Meeting – There will not be a weekly meeting this week due to Memorial Day. Students may log into the live session on Tuesday if they want more information about the agenda for the week.

\*\* These live sessions are not required. They are an option for students that prefer to go through the lessons together. If no students log in within the first 10 minutes of the session, I will close the session. Recordings of the material will continue to be available to all students.

**Please continue to be in contact with me if you need help getting a laptop, internet or food resources.**

**Week of: 6/1 – 6/5**  
**Geometry Learning Guide: Gellerson**

**Monday the 1st through Friday the 5<sup>th</sup>**

In Mathia, complete the sections on Sequences and Rational and Irrational Numbers.

Our goal is to complete the entire Algebra II RtI by the end of the year. Work ahead if you have time available.

I will continue to hold live sessions at 10:00 if you need help.

▶ **Algebra II - High School RtI**

▶ **Polynomial Operations**

▶ **Sequences**

Describing Patterns in Sequences

Writing Recursive Formulas

Writing Explicit Formulas

Writing Sequences as Functions

▶ **Rational and Irrational Numbers**

Introduction to Irrational Numbers

Graphing Real Numbers on a Number Line

Ordering Rational and Irrational Numbers
