

Hello Garry Art Students (and Parents):

It has been so nice to hear from some of you through email, "Art teams" posts and the weekly "Art Teams" meeting. I'm excited to look through your work that has been turned in and will be putting in grades this week.

Weekly Assignments:

You have a new assignment this week: Geometric Hand Design. The assignment is located in the "Art Teams Site". If you cannot access this site let me know and I'll email you the assignment. This is a one-week assignment and will be **DUE Friday, May 8.**

- An "art vocabulary glossary" has been loaded into your "teams" site in the file: "FILES>CLASS MATERIALS>ART VOCABULARY GLOSSARY" and should be used for your vocabulary practice. There is also a "Color resource" located in the files folder.
- There is a video demonstration of the project that has been uploaded to your "teams" site under "FILES>VIDEO DEMONSTRATIONS". It's long, so you may want to skip sections if you do not need the extra help.
- There is information about how to use your computer to take pictures of your artwork posted in the "art teams" site. It is a "wiki how" website. Photos from phones also work.

Pacing Plan for your Work:

You have 5 days to complete your "Geometric Hands Design" and vocabulary practice. Each day you should plan to be spending about 20-30 minutes on your assignment each day. If you choose to work in longer chunks that is just fine. The below plan is a suggestion for completing your work by Friday, May 8.

Monday May 4	Tuesday May 5	Wed. May 6	Thursday, May 7	Friday, May 8

Class Meeting:

Your class meeting will be on Thursday afternoon; the time will depend on the class period you are in. I will send you an invite to this meeting through email and the meeting should also be posted in the "ART teams" site. You should get a reminder of the meeting on the day of the meeting and then 15 minutes before the meeting. This week we are going to break the meeting into smaller groups by class period. I'm hoping smaller meetings will allow students more participation. I hope to see you there, if you have further questions please email me.

Have a great week!
