Teams Meeting: Wednesday (6-17-20) at 11:30 am - 12:00pm

Information for this week

You will not need a textbook this week. This week for ELA we will be writing about our favorite memory or time that we had this school year. For math we will be on Moby max working on our math skills! For WA ST History we will be looking at the WA ST Capitol and U.S. Constitution!

Participation Points This Week

This week you will have the opportunity of earning participation points, how you can earn these points is, by “having contact”, for example: Attending the Microsoft teams meeting, phone calls, logging in and working on Moby Max, emails, or completion of work.

Earning no participation points, means there was no examples of “having contact” and no completion of work.

Turning in work: Please please, send all your school work to my EMAIL.

Please email me if you have any questions or need any help.
