<p>Today, I would like you to complete the “Bones Word Search” found in the “Assignments” tab.</p> <p>Virtual class meeting on Microsoft Teams at 11:30 – 12:00 pm</p>	<p>Today, I want you to read the passage in our “Assignments” tab titled “Skeletal System Passage”. In this PDF there are two versions of the same article. If you feel proficient in your reading skills, please read the page that has a diamond  in the top right corner. If you struggle a bit with reading, please read the passage with the triangle  in the top right corner. When finished reading the passage, please open the document in the “Assignments” tab titled: “Skeletal System Color”. Please make sure to turn this document in once finished.</p>	<p>Today, you will go through a PowerPoint on “The Muscular System”. I have included a voice recording on each slide (you’re welcome ) , so you may need to click the “next” button a second time to hear me. You can find the PowerPoint and the “Muscular System Review” worksheet can be found in the “Assignments” tab (it can also be found in the “Files” tab). Please make sure to turn in the assignment when completed.</p>	<p>Today, you are going to play a game about the Muscular System called “Whodunnit”. I have created a video of myself starting the game to give you instructions on how to do it exactly. Please watch the video before starting to play so you fully understand what you are doing! When you have figured out whodunnit, please make sure that you share with me the final slide of the PowerPoint so that I can see your answer, or you can email me your answer.</p>	<p>Today, you will go through a PowerPoint on “The Integumentary System”. I have included a voice recording on each slide (you’re welcome ) , so you may need to click the “next” button a second time to hear me. You can find the PowerPoint and the assignment “Integumentary System Review” in the “Assignments” tab (it can also be found in the “Files” tab). Please make sure to turn in the assignment when completed.</p>
