

Niemi's 7th Grade Science

6/2 – 6/8

Tuesday, June 2 nd	Wednesday, June 3 rd	Thursday, June 4 th	Friday, June 5 th	Monday, June 8 th
<p>Today, you will watch a short video on YouTube by Crash Course called: Lymphatic System. (The underlined title is a link to the video) Once you have watched the video, there is a worksheet in the "Assignments" tab with the title "Lymphatic System". Please make sure to turn in the worksheet as soon as you have completed it.</p> <p>Virtual class meeting on Microsoft Teams at 11:30 – 12:00 pm</p>	<p>Today, you will go through a PowerPoint on "The Respiratory System". I have included a voice recording on each slide (you're welcome 😊), so you may need to click the "next" button a second time to hear me. You can find the PowerPoint and the "Respiratory System Review" worksheet can be found in the "Assignments" tab (it can also be found in the "Files" tab). Please make sure to turn in the assignment when completed.</p>	<p>Today, you are going to play a game about the Respiratory System called "Whodunnit". I have created a video of myself starting the game to give you instructions on how to do it exactly (this video is in the "Files" tab if you need to refer to it). When you have figured out whodunnit, please make sure that you share with me the final slide of the PowerPoint so that I can see your answer, or you can email me your answer.</p>	<p>Today, you will watch a short video on YouTube by Crash Course called: Respiratory System. (The underlined title is a link to the video) Once you have watched the video, there is a worksheet in the "Assignments" tab with the title "Respiratory System". Please make sure to turn in the worksheet as soon as you have completed it.</p>	<p>Today, I want you to complete the worksheet "Respiratory System Color". There is not actually a page to color (because I don't want you to worry about printing the page out), but please answer the twelve questions and turn in once completed.</p>
