

NIEMI 'S PRE-ENGINEERING

5/12 – 5/18

Tuesday, May 12 th	Wednesday, May 13 th	Thursday, May 14 th	Friday, May 15 th	Monday, May 18 th
<p>Yesterday, you drew a picture of a device that will help us clean all the garbage in the ocean. This week I want you to try to build it! If you have Legos ~ awesome! Feel free to use those! Feel free to build it out of anything you have available at home! If you do not have any kind of “building toy,” use recyclable materials! Plastic bottles, cans, newspaper, boxes, etc. Anything that you can find! Be as creative and as detailed as possible!</p> <p>Once you have finished your creation. Take a picture of yourself with it and send it to me! 😊</p> <p>Virtual class meeting on Microsoft Teams at 2 – 2:30 pm</p>	<p>Continue building your Ocean Garbage Collector Device!</p>	<p>Continue building your Ocean Garbage Collector Device!</p>	<p>Continue building your Ocean Garbage Collector Device!</p>	<p>Continue building your Ocean Garbage Collector Device! Today is your last day to finish up your project.</p>
