

Week of: 5/25 – 5/29
MS1 Learning Guide

Learning goals for this week include:

1. I can identify complementary and supplementary angles.
2. I can identify non-adjacent angles.

Expectations:

1. Students will login to Teams at least once a week to check in with Mrs. Burns and to get the weekly learning plans.
2. Students will complete work on Khan Academy, using the assigned videos and practice problems to solidify their understanding of the material.
3. Students will take advantage of the weekly Teams meetings to ask questions and get help with their assigned work.
4. Students should have weekly assignments completed and submitted by the end of the day on Sundays.
5. Students should be working out math problems on a piece of paper or whiteboard. Many of these problems require you to work them out!
