June 17	Science Poster Final Project
June 18	Science Poster Final Project
June 19	Science Poster Final Project

Science Poster Final Project for 2019-2020

Your task is to create an electronic poster that showcases your learning in science class this year! Use Powerpoint or Word to make your poster.

What goes on the poster?

1. Your first name. (Don't put your last name on this project for privacy reasons)
2. A cartoon picture of you. (Don't put your real picture on this project for privacy reasons)
3. Four (4) or more science things you learned this year.
4. Four (4) or more memories from our class.
5. Cool background of a science classroom.

Make your poster look great. Use **only one** slide or page.
