

7th Grade World and Washington State History

Mrs. Hacker

Room 211

>Welcome Ravens to the 2021-2022 school year. I am very excited to return to the classroom for my 22nd year in education. I will be your Social Studies Teacher for 7th grade World and Washington State History.

This will be my fourth year at Garry Middle School. I look forward to teaching engaging lessons that inspire students' love for learning while achieving individual learning goals and targets for the 7th grade.

Outside of teaching, I enjoy hiking on Mt. Rainier with my family, writing short stories, drawing, painting, and singing. I am looking forward to an amazing year of learning!

I want to get to know each of you this year and discover what makes you a unique individual. In turn, I hope you will enjoy learning about History. Together, we will develop a positive learning environment where you can explore new ideas, practice skills to develop expertise, and feel comfortable and safe in expressing yourself.

My classroom is a community built on the principles of kindness, respect, and responsibility. I believe that a person never stops learning throughout his or her life, and we are all life-long learners!

I am very excited to be working with you this year!

Sincerely,

Mrs. Hacker
