

THREE PARTS OF THE GARRY VIRTUAL ORIENTATION

➔ Take the Virtual Tour

We have created virtual scenes of the most important common areas at Garry Middle School. Click on the points of interest throughout each room

to learn more about the room or important information about Garry. There are also video clips to introduce you to the routines and expectations of Garry Middle School students. Watch each one because you may need the information for the scavenger hunt at the end!

NEW STUDENT ORIENTATION

Welcome to Garry Middle School! We are so excited to have you join us as a new Garry Chief. Normally, we would have had you come to school for an in-person tour to walk the halls and meet some staff members. To help you get ready for next year, we have created a virtual student orientation. In this orientation, you will get your first look at your new school by taking a virtual tour, meeting your teachers and staff, viewing videos about student expectations, and completing a scavenger hunt. You can get to the tour by clicking the STUDENT ORIENTATION link on our Garry Middle School website. The virtual orientation will begin on June 12th.

VIRTUAL ORIENTATION LIVE EVENT (June 12th - 19th)

While the virtual orientation will be available on our school website throughout the summer, if students complete the orientation and submit a scavenger hunt between June 12th and June 19th their names will be entered into a drawing for some Garry Gear.

As we get closer to the beginning of the 2020-2021 school year, we will have a better idea of what the new school year will look like. As soon as we know more details, we will communicate with students and families any new calendar items or important updates.

Again, we are excited to meet you and have you join our learning community. We are committed to creating a place where all students feel safe and ready to learn.

For further questions, please contact the

- 7th grade counselor, John Schutz (JohnSc@spokaneschools.org),
- Principal Assistant, Julia Rendall (JuliaR@spokaneschools.org),
- Assistant Principal, Kent Hibbard (KentH@spokaneschools.org).

➔ Meet the Teachers & Staff

Next on the orientation, meet your teachers and staff members. Teachers and staff have made short video clips introducing themselves to you. Many teachers

have also completed virtual tours for you to get a glimpse at their classrooms and to see how they are set up. In August, you will get your official class schedule. For this tour, it makes sense for you to look at grade level teachers and to look for the electives that you registered for earlier this year.

➔ Complete the Scavenger Hunt

After you finish the virtual tour, complete the scavenger hunt to see how much you learned on the tour. We will put the names of students who get all of

answers correct into a drawing for Garry Gear. If you have a question that did not get addressed in the virtual tour, there will be a place for you to ask those questions.

Garry Chiefs Read Books!

Each student has a reading goal and is expected to have an independent reading book with them in class. Students in Accelerated ELA have a summer reading assignment that will be sent out to them in the mail.
