

Welcome to Sacajawea Middle School

Registration

Move-Ups with Elementary School

- Team from Sacajawea will meet with your student's team at the elementary school to get as much information as possible so that we can best support your student.

Electives

Students will complete a registration form at the same time as all their 6th grade peers.

Sacajawea will use these forms to place students in the electives they are interested in along with the academic courses that have been recommended by their case managers.

Orientation in the Fall

- We aren't sure what this will look like yet, SO.....
- Please watch for messages from Sacajawea as the beginning of the school year approaches.
