# COURSE DESCRIPTION

This class will study the development of the United States as a nation from approximately 1877 to the present time, with particular focus on changes that have occurred over time in the U.S. and the people who have affected those changes. The class is divided into four quarter-long units:

- **Industrialization, Reform and the Emergence of the U.S. as a World Power (1877 – 1914)**
- **World War I, Prosperity, Depression, New Deal and World War II (1914-1945)**
- **The Cold War, Civil Rights, and the Vietnam War (1945-1975)**
- **Into a New Century (1975 – present)**
