

Course Name: Band Intermediate 2 – (Symphonic Band)

Duration: 1 Semester Full Year

Grade Level: 9th 10th 11th 12th (check all that apply)

Are there any prerequisites for the course?

Previous band (woodwind or brass) experience encouraged but not necessarily required. Successful completion of Freshmen band would set students for success in this course.

WHAT this course is about:

Learning individual skill on brass or woodwind instruments to successfully play and perform in a large band setting. Individual growth in musical and leadership skills through band literature.

WHY take this course:

To grow as a student musician, leader and be apart of one of the largest most visible programs at LCHS. Students in band enjoy coming to school, have a sense of family and community, and learn to play their instruments at a high level.

WHAT you'll learn:

Students will develop and grow in confidence in individual musicianship in order to play band music at a high level. Students will learn to tackle musical tasks in order to grow and work to put on musical performances in concerts and festivals throughout the community and state. Students will learn the importance and experience the joy of serving our school and community through music.

WHAT you'll do:

Build individual musical skills on your instrument, build ensemble playing and performance skills through concerts and festivals/contests throughout the year. Perform at schoolwide spirit and athletic events.

WHERE this could take you:

This course can take you musically as far as you would like to go. At LC this band opens doors for you to audition into the Wind Ensemble, our top performing ensemble at LC. This course can also help prepare you for college scholarship auditions.
