

**Course Name:** Percussion Ensemble

**Duration:**  1 Semester  Full Year

**Grade Level:**  9th  10th  11th  12th (check all that apply)

**Are there any prerequisites for the course?**

Previous percussion experience in Middle School and/or successful audition with director preceding the school year.

**WHAT this course is about:**

The art and skill of playing percussion and musical skill.

**WHY take this course:**

To become a well rounded percussionist, build individual and ensemble playing skills, perform at high levels, and grow in your leadership.

**WHAT you'll learn:**

Individual and ensemble skills including rhythm reading, pitch reading, battery percussion, concert percussion, world percussion, band literature percussion, and percussion ensemble.

**WHAT you'll do:**

Build skills in pitch reading, rhythm reading, perform with the concert bands as concert percussionists, perform in percussion ensemble settings, perform in the LC battery (drumline) throughout the school year.

**WHERE this could take you:**

This course can take you and lead you to grow as a musician and leader through multiple performances. The LC percussion program can be a gateway to honor group and collegiate scholarship auditions. LC Percussion ensemble members have multiple performances and competitions/festival throughout the year in the community and throughout the state of Washington.
