

Course Name: Spanish III Honors

Duration: 1 Semester Full Year

Grade Level: 9th 10th 11th 12th (check all that apply)

Are there any prerequisites for the course?

Successful completion of both Spanish I and Spanish II

WHAT this course is about:

Third year language study offers students the opportunity to go beyond the basics and attain a higher level of fluency and competency in all language skills (reading, writing, listening, speaking)

WHY take this course:

Take this course if you're serious about gaining competence and confidence in using Spanish.

WHAT you'll learn:

Learn a greater variety of vocabulary and improve your ability to communicate at higher levels and in more sophisticated ways.

WHAT you'll do:

You'll hear and speak Spanish much more than in earlier levels of language study. You'll read chapter books and current events; you'll do creative projects such as story-writing and story-telling; you'll engage with classmates on a variety of conversational topics (in Spanish); you'll explore online resources (video, etc.) that allow you to hear native speakers.

WHERE this could take you:

As the most commonly spoken non-English language in the United States, competence in Spanish can open doors to a large variety of educational and professional opportunities, in addition to equipping speakers for culturally rich experiences abroad.
