NOTES

To have a College and Career Ready Transcript, we strongly recommend that you **exceed** the minimum required courses and take classes that will help you with your post-high school pursuits.

^World Language is not a high school graduation requirement, but it is required to most 4-year universities and is recommended from the Spokane Community Colleges.

If you have questions or concerns, please schedule an appointment with your counselor to develop a four-year course plan that prepares you for your future and finds your passion.
