Pesticides and Herbicides: *The school district normally sprays pesticides and herbicides twice during the school year at Ferris. In accordance with legislation passed in 1992, our school is required to send out a 48 hour pre-notification each time these spray applications take place. These notifications are usually added to our school's weekly or monthly bulletins or can be placed on our school's reader board. The areas sprayed are clearly marked with yellow posting flags placed at all entry areas near where the spray applications were done. All adults in charge of supervising students in these areas, such as coaches and teachers, are given prior notice in order to modify practice schedules and lesson plans.*

Asbestos Notification: *Ferris High School DOES NOT contain asbestos building materials. Regulations require Spokane Schools to provide an asbestos management plan to all staff, students, and community members. The plan is in the custodian's office. If you have any questions, please call the Spokane Public Schools Asbestos Management Planner at (509) 354-7171.*

Mission and Vision for the 2022-2023 School Year

At Ferris High School our mission has long been Every Student, Every Classroom, Every Day. With this vision as our guide, we are committed to providing a safe, inclusive, and accepting environment for ALL students. As a learning community, we pledge to serve each student and family, and to apply principles of equity in every aspect of the work that we do. Promoting equity is simply a core value at Ferris High School and it is our responsibility to ensure that staff, students, and families feel welcome and connected. As a school, we will provide rich and rigorous academic offerings and activities, but we will also focus on social-emotional learning, wellness, and the holistic needs of all members of our school community.

The mission of Spokane Public Schools is to provide Excellence for Everyone, yet we recognize that there will continually be opportunities to improve in our efforts to meet this goal. At Ferris, we will continue taking steps to ensure anti-racism and anti-discrimination are values that are built into the policies and practices of our school. Our staff will continue our participation in anti-racism and cultural responsiveness training and will apply these values in our interactions with each other, our students, and our community. We embrace a common calling and the need to increase student empowerment, belonging, value, and hope for the future.

Ferris is family, and we look forward to a new and exciting school year!

Academics

Grading, Progress Reports & Report Cards

Grading is scheduled at the end of each quarter, with final grades to be recorded at the semester.

1. Report cards are issued at the end of each quarter.
2. Only semester grades are used to compute a cumulative grade point average.
3. Letter grades are used to designate pupil's progress.

A progress report is issued to each student during mid-quarter, approximately four weeks into the quarter. Ordinarily these reports will give a general approximation of progress and not an exact grade. Letter grades are used to designate a pupil's progress. Parents should contact teachers directly or through e-mail as achievement concerns arise.

The grading scale adopted by the school board can be found below:

Percentage	Letter Grade	Grade Point
93 – 100	A	4.0
90 – 92	A-	3.7
87 – 89	B+	3.3
83 – 86	B	3.0
80 – 82	B-	2.7
77 – 79	C+	2.3
73 – 76	C	2.0
70 – 72	C-	1.7
67 – 69	D+	1.3
60 – 66	D	1.0
Below 60	F	0

Weighted Grade Class Rank Information

Weighted grading will be used to determine class rank only and will not affect a student's official cumulative Grade Point Average (GPA) as outlined by WAC 392-415-540. Class rank is not part of the Washington State official transcript and is a local decision. Many colleges, universities, and scholarship programs, however, ask for class rank on their applications. Spokane Public School employees providing class rank to outside organizations will use the weighted class rank.

Spokane Public Schools will use quality points so that the rank will reflect the rigor of classes taken. AP: 1 quality point, Honors: .5 quality point.

Advanced course options: The Board of Directors recommends that students, families, and counselors work together to make decisions about which advanced course to take. The goal is an appropriately balanced schedule that takes into account individual student interests and strengths.

Distinguished Scholar Graduates

For years, Ferris High School recognized valedictorians – students with a 4.0 GPA. With the implementation of weighted grades, a student has the potential to earn a GPA higher than 4.0. As a result, we have shifted to the Latin Honors System (Summa Cum Laude, etc.). SPS has adopted the following scale: 4.3 GPA for Summa Cum Laude, 4.1 GPA for Magna Cum Laude, and 3.8 GPA for Cum Laude. These designations honor approximately the top 3%, 5% and 12% of our senior class for each category.

Graduation Requirements

To have a College and Career Ready Transcript, Ferris strongly recommends that you exceed the minimum required courses and take classes that will help you to prepare for your post-high school experience. See the chart below for the required courses and our recommended courses.

Withdrawal From Class

- A student may DROP and/or ADD a class (if available) during the first two weeks of a semester.
- A student may DROP a class after the end of the second week to the end of the sixth week with a “W” on the transcript (with written permission from parent) provided they will still be enrolled in six (6) classes.
- A student may DROP a class after the end of the sixth week of the semester with an F on the transcript (with parent permission and involvement) provided they will still be enrolled in six (6) classes.
- Extenuating circumstances will be dealt with on an individual basis.

Academic Interventions

As part of a Multi-Tiered System of Supports (MTSS), Ferris High School offers several academic interventions to support students as they progress through high school. The opportunities we provide are designed to meet the needs of all students (Tier 1 experiences) and specific groups of students (Tier 2 and Tier 3 interventions) according to each student’s needs. Please contact your counselor for more information on available academic interventions.

Credit Deficiency

To be on track for graduation, students should have completed the following credits:

- Entering 10th grade should have a minimum of 6.0 credits.
- Entering 11th grade should have a minimum of 12.0 credits.
- Entering 12th grade should have a minimum of 18.0 credits.

Ferris High School and Spokane Public Schools offer a variety of credit retrieval options. Please see your counselor for more information.

Attendance

Attendance Hotline: Last name A-K (509) 354-6060 Last name L-Z (509) 354-6158

When leaving a message, please leave the following information:

1. Please spell the first and last name of the student.
2. State your name and relationship to the student.
3. Leave your daytime phone number for verification.
4. Give a brief reason for the absence.

Attendance Policy

Under the Washington State Compulsory Attendance Law, it is the primary responsibility of parents and guardians to ensure that their students attend school regularly. This applies to virtual learning as well. (RCW 28A.225)

Unless previously excused, the absent student's parent or guardian should call the 24-hour Attendance Hotline:

Last name A-K **(509) 354-6060**

Last name L-Z **(509) 354-6158**

If there is an unexcused absence, the computer phone system will attempt to call the home in the evening to leave a message. Student absences must be cleared by a parent/guardian note or call within two (2) school days after the absence, or the absence will remain unexcused and considered a truancy.

Truancy can result in numerous interventions, including phone calls/emails, parent meetings, home visits, Attendance Intervention Plans (AIPs), and progressive discipline.

Becca Bill – Mandatory Attendance Law (Ch 312, Laws of 1995)

“Upon a child's seventh unexcused absence in a month, or upon a tenth unexcused absence in a year, the school district shall file a truancy petition in juvenile court (Sec. 68). If the school district fails to file such a petition, the parent may file the petition (Sec. 68). No court filing fees are required for these petitions.

The act sets forth the contents of the petition (Sec. 69). Among other things, the court may schedule a hearing and require attendance of the child and parents at the hearing (Sec. 69 (4)). The court shall grant the petition and enter an order assuming jurisdiction for the remainder of the school year if the allegations in the petition are established by a preponderance of the evidence (Sec. 69 (6)).

Superior court commissioners, family law commissioners, and juvenile court judges have jurisdiction to hear these truancy petitions (Sec. 71-Effective Sept. 1, 1995). In addition to assessing fines, placing children into detention, and other current options, the act authorizes courts to also order the parent to provide community service at the child's school instead of imposing a fine (Sec. 74). Half of the fines shall go to the school district, and 50% shall be given to the county (Sec. 75).”

Pre-arranged Absences

Before planning an extended absence (three days or more) of a student, parents should consider the following:

- Students need to attend as many classes as possible to receive the best grade attainable, so it is reasonable to expect that an extended absence could severely affect the student's grade.
- Teachers cannot be required to pre-teach work which would be missed or accept make-up work after a date established before leaving.
- Teachers cannot always be expected to provide multiple assignments in advance. However, if an occasion arises where an extended absence is unavoidable:
 - Please contact your teachers directly to arrange for work prior to a prearranged absence.

Tardies

Being tardy to class not only impacts the student's educational experience but also disrupts the educational process for others. Being on time to class is a Ferris expectation and a real-world skill. Students who are tardy to class are still required to go to class.

Ferris has adopted a school-wide tardy policy:

- 1st-5th tardy to an individual class: The classroom teacher will talk with the student, offer strategies to be on time, call home.
- 6th + tardy to an individual class: Teacher will refer the student to Student Services administration for intervention and/or progressive discipline. A meeting with the student and family may be scheduled and an Attendance Intervention Plan (AIP) may be put in-place.

Hall Passes

Students must have a pass to be in the hall during class. That pass must have been recently issued by a staff member. Unsupervised students are not allowed in the hallways during class and may be subject to school-wide intervention efforts, including being placed in our Intervention program, meeting with an administrator, and/or progressive discipline.

Early Dismissals

A student who needs to leave school during the school day must obtain an early dismissal slip from the Student Office before leaving the building. A parent must call or send a note in the morning to excuse the student. **STUDENTS MUST CHECK OUT THROUGH THE ATTENDANCE OFFICE. FAILURE TO DO SO WILL BE CONSIDERED A TRUANCY AND WILL NOT BE CLEARED.**

Truancies

Students arriving to class more than ten minutes after the final bell (without a teacher/office pass) will be considered truant and will be referred to our Intervention Program. Arriving to class less than ten minutes late will be considered tardy. The Home Calling System will call each night to notify parents of absences. A Behavioral Intervention Letter will be mailed home to notify parents of five unexcused days. The school will notify parents and file a petition with the BECCA Law Court when a student has met the BECCA criteria for unexcused absences. Students that are truant may be subject to school-wide intervention efforts, including progressive discipline.

Forgery

Students involved with forging notes or passes, or using the phone system to excuse their own absences will be subject to progressive discipline and will be placed on the "no note" list. Any subsequent absences will need to be verified by the parent.

Homework Requests

Homework requests should be made if a student is absent for a minimum of 3 consecutive days. To make this request, please call or email teachers directly for homework, or call (509)354-6116. Late assignments will be accepted by teachers unless the absence is unexcused or the teacher has previously established a deadline for the assignment or project. No make-up work will be allowed for unexcused absences.

Safety

You are a valuable member of the Ferris community. You deserve a school environment that is safe, inclusive for everyone, and free from discrimination, violence bullying, harassment, and intimidation. We are committed to supporting you.

If you, someone you know, or someone you see is in need, please reach out to us.

Ferris Counseling Office: 354-6049

24-hr Regional Crisis Line (local suicide prevention hotline): Just dial **988** or call 1-877-266-1818

ANY Emergency Room in our area will also welcome young people in crisis.

IN THE CASE OF EMERGENCY- Call 911

Safety Tip Line

Spokane students and community members are now able to make anonymous calls regarding their safety concerns, thanks to Safety Tip Line. The phone number is **(509) 354-SAFE (354-7233)**.

The tip line will improve safety efforts by encouraging students to talk about what they know/have heard about classmates threatening violence or other illegal activities. Students can choose to leave a phone number for a follow-up call. Reports will be followed up by Student Support Services, and, when necessary, by Spokane Public Schools Security.

The tip line is monitored during regular business work hours, Monday through Friday, 8 a.m. to 5 p.m. All calls are confidential. In addition to the Safety Tip Line, there are phones in every classroom as another safety prevention step. This allows students and teachers quicker access to emergency services, as well as making it easier for parents to leave messages for teachers who can return calls on breaks.

Fire Drills and Crisis Drills

These are necessary and required by law.

1. The fire drill signal requires everyone in the building to move to designated evacuation areas without exception.
2. Students are expected to take fire drills seriously and follow directions at all times.
3. Instructions for exiting are posted in each room.
4. Students should exit and move away from the building.
5. The all clear signal will sound to allow students to return to class.

In the event of a Crisis Drill, an intercom announcement will signal a situation or drill. Please follow the specific instructions given at this time. If no specific instructions are given, students need to go to the nearest room and stay away from doors/windows. The all-clear signal will be given over the intercom.

Life Threatening Health Conditions

Washington state law (RCW 28.10 Section 1), requires that all students with life threatening health conditions have the needed medical orders, medication/equipment and a nursing care plan in place before the child may attend school. Forms are available in the Student Office.

Loss or Damage of Property

A student or his/her parent or guardian shall be responsible for the cost of school property that is lost or damaged. A student's grades, transcripts, and diploma may be withheld until restitution is made. The student or his/her parent or guardian may appeal the imposition of a charge of damages to the principal, superintendent, and Board of Directors in accordance with the due process described in Policy 9375.

The school district continually strives to make our schools a safe place, for both students and their personal belongings. Unfortunately, incidents sometimes occur which can result in damage or loss of personal property owned by or in the possession of students. *Accordingly, parents are reminded that Spokane Public Schools cannot be responsible for loss or damage to personal property brought to school by students. Thus, any personal belongings brought to school are at the student's own risk. If the value of an item is such that you cannot afford its loss, please make certain that your child does not bring the item to school. The school does not assume liability for lost or stolen articles.*

Lost and Found

If you have lost or found an item, contact the Business Office (for valuables such as phones, glasses, keys), (509) 354-6006, or the Bookroom (items such as clothing, school supplies), (509) 354-6056. Lost and found will be cleaned out quarterly.

Medication

According to Washington state law and District Policy, if it is necessary for your child to receive oral medication (prescription or nonprescription) during school hours, a medication request form must be filled out and signed by both the physician and parent. These forms are available in the Student Office or on-line at www.spokaneschools.org/parents (Health Services). All medication must be kept in the original pharmacy container and will be kept in a locked location. To ensure safety, parents are encouraged to have an adult deliver the medication to school. If the parent wishes a student to carry his/her own medication, it is with the recognition that it is the student's and parent's responsibility/liability.

All **books** have been inspected for damages. Damages found have been noted in the computer system. Please inspect all books upon receipt. If you discover any damages, return it IMMEDIATELY to the Bookroom for a replacement. Books that are checked out to you are YOUR RESPONSIBILITY. Any damages not already noted will be fined to your account upon check in. Damages include, but are not limited to, writing, stains, liquid damage, dog-eared pages and cover damage. Fines will also be assessed for books turned in with post-it notes on pages and books left on the counter (not physically checked in).

District **laptops** checked out to students - Families are responsible for all damages outside school whether intentional or accidental. Responsibility for repair will be determined by the SPS Technology Department.

Fees may be collected to cover damage to a district laptop per district policies. These fees will be determined by the SPS Technology department and will not be refunded. Fees must be paid before a student received their repaired or replaced device. Failure to pay fees promptly results in a student being loaned an older laptop for use only while at school.

Damage occurring at school and/or by another student should be reported immediately and responsibility for damage will be assessed by school administrators and the SPS Technology Department. Fee payment can be paid on the SPS Online Payment System or at the Ferris Business Office. Spokane Public Schools does not support personal devices on our network.

The Business Office is closed daily for one hour after second lunch. Ferris Student ID is required for all Business Office transactions.

Spokane Public Schools will assess a fee of \$25.00 on all returned or otherwise dishonored (NSF) checks. Until the check amount and fee are paid, we will no longer accept payment from you by personal check.

Dances

All school policies are followed at dances. Infractions are dealt with in the usual manner. The Ferris community is committed to providing a safe, fun, and respectful environment at our school dances. Students are to refrain from dancing in a sexual nature. Students who exhibit inappropriate dancing behaviors during a dance will be asked to leave without a refund. Students will not be re-admitted to a dance after leaving the assigned area.

Ferris Student ID is required with a ticket for admission to all dances. Only current Ferris students may attend mixers. Students from other schools who attend our date dances must provide picture ID and must be pre-registered in the Business Office by 3:00pm on the last school day before the dance. Guests must be of high school age or under 21. School rules apply to all school sponsored events.

Fees and Fines

Absolutely no scholarships, college applications, requests for records will be processed until all fines and fees are cleared. There are no exceptions.

Lockers

Generally, lockers are not assigned to every student. However, students can **request** a locker in the Student Office. As property of the school, lockers may be inspected by school officials. Lockers are not to be written upon or in any way vandalized by students. The cost of repairing any damage to a locker will be charged to the student.

Meals

Spokane Schools will provide FREE breakfasts and lunches to all students for the 2022 - 2023 school year.

Messages for Students

Delivering messages to students in class interrupts the educational setting. Only messages from parents of students will be delivered to class. Students and parents are asked to cooperate to minimize requests for messages to students during the school day.

Parking

Student Parking – Student parking is available in the East lot (at the 37th and Ray entrance). Red zones are marked in the Student Lot. These are for emergency vehicles only. Avoid being towed by not parking along these curbs.

Staff Parking – The Northwest lot (at the corner of 37th and Regal) is reserved for staff parking only.

Visitor Parking – Visitor parking is available in the Northeast lot (at the 37th and Ray entrance) and also in the North lot (off of 37th). These spots are clearly marked.

Student Drop-off & Pick-up – The designated drop-off and pick-up area is within the Student Parking Lot, accessed via the entrance at 37th & Ray. There is also a pull-out area on 37th Ave near the North Parking Lot. Additionally, students may be dropped off in the Staff Parking Lot at the corner of 37th and Regal. These are all NO PARKING ZONES. Drivers must remain in vehicles while waiting for students. The North Parking Lot Loop along 37th is reserved for Special Needs buses only.

Bus Drop off & Pick-Up – Buses load and unload in the bus loop near the tennis courts on the west side of the campus.

PTG/Ham on Regal

For as long as Joel E. Ferris has had students walking the halls, our PTG has been raising money to support Ferris students and their teachers. For 58 of those years, the fundraising arm of PTG, called Ham on Regal, has produced an original stage production. Nearly 300 Ferris parents have come together to write, choreograph, and perform an incredible musical comedy. Funds are raised and life-long friends are made. At the end of each Ham season the money is allocated to nearly every program at the school, with over \$2 million dollars to date. If you are interested in participating in this year's Ham on Regal, please contact the 2022 Ham Event Chairs at showchairs@hamonregal.org. Like in past years, we will be raising money for the kids and are hosting a virtual Ham season event for the members of the Ham on Regal community. We hope to see you there.

Visitors

The school accepts only those adult visitors who have legitimate business at school. Visitors are expected to come to the Public Office to obtain a visitor's badge upon entering the campus. When business is completed, the visitor should return the badge to the Public Office and promptly leave campus. Guests or visitors of students, including brothers and sisters, are not allowed at school.

Volunteers

Ferris High School is always in need of parent volunteers who wish to give of their time on an hourly, weekly, or occasional basis. Help is needed in the classrooms, the bookroom, the offices, the health room, as dance chaperones and for special projects. If you would like to be involved at any level, please fill out a Volunteer Program Application, available in the Ferris Public Office.

Wheels on Campus

Wheels are not allowed on the Ferris campus. Skateboards and roller blades (skates) that are used for transportation to Ferris will need to be stored in your locker or a classroom during the entire school day. Student Expectations

Saxon P.R.I.D.E.

SAXON PRIDE				
Perseverance	Respect	Integrity	Discipline	Excellence
Holding to a course of action despite obstacles • Stay positive • Set goals • Learn from mistakes	To show consideration, appreciation, and acceptance • Respect yourself • Respect others • Demonstrate appropriate language and behavior	Adherence to an agreed upon code of behavior • Be responsible • Do your own work • Be trustworthy and trust others	Managing one’s self to achieve goals and meet expectations • Strive for consistency • Attend class daily; be on time • Meet deadlines; do your homework	Being of finest or highest quality • Do your personal best • Exceed minimum expectations • Inspire excellence in others

To promote a positive climate, Ferris is implementing a school-wide management plan to create a school climate that is consistent from classrooms to hallways. P.R.I.D.E. educates students in self-discipline and provides staff support for student expectations.

Self-Discipline

Students are to become familiar with the school’s rules, regulations, and policies; every student will make every effort to abide by them. Always be courteous to those who teach you, as well as to each other. It may become necessary at times for a student to be sent to the administration offices because of habitual discipline offenses or because of a major offense. In such cases, the administration will use whatever corrective measures are necessary within the federal and state guidelines and according to Spokane Public Schools Board policy. Individual teacher rules and expectations will be provided at the beginning of each semester.

Student ID

Students are expected to identify themselves to all staff when requested. All students will be issued a school picture ID card. These are to be in the students’ possession at all times during school and at all school activities. Student ID cards must be presented to any school authority who requests to see it (i.e., teacher, administrator, security officer, bus driver, etc.).

Dress

Students are expected to present themselves in a manner that is appropriate for school and a workplace setting. Our school welcomes any fashion style that doesn’t **disrupt the educational process**. Attire and accessories that advertise, display, or promote drugs, alcohol, or an unsafe, violent, discriminatory, disrespectful, illegal or sexually provocative atmosphere are not acceptable. Bandanas are not permitted. For more information, please see Policy 3240 on the Spokane Public Schools website (spokaneschools.org).

Closed Campus

Ferris High School is a closed campus. This policy is to ensure student safety and encourages class attendance. Once students arrive on campus in the morning, they are to stay on campus for the entire school day unless they have checked out through the Attendance Office. Students will not be excused to leave campus for lunch unless their parents are picking them up personally or have called in ahead of time to excuse their student. The student parking lot is closed during the school day. If for some reason students need to access their vehicles, they need to go to the student office or see an administrator to get a pass. Failure to comply with the closed campus policy will result in progressive discipline.

Student Spaces at Lunch

During lunches, students are expected to be in one of the supervised spaces provided. These spaces are the lunchroom, the gym, or outside in victory plaza (weather permitting). The main floor, above the commons, all wings, and hallways are closed to students during lunch. Students that have permission to meet with faculty during lunch should have a pass to access the classroom areas.

On Campus After the School Day Ends

The school day ends at 2:30 p.m. By 2:45 p.m. all students must be off campus or under the supervision of an adult staff member.

Bus Conduct

To ensure safe and comfortable transportation, students must act responsibly when riding their bus. All school policies apply to conduct on school buses. Failure to follow them may result in suspension from school and/or denial of bus-riding privileges. Ferris Student ID is required for bus transportation. Only students registered as bus riders are allowed access to their school bus.

Citation 1: Warning - Principal or designee will contact parents.

Citation 2: Loss of riding privileges 3-5 days or restorative option.

Citation 3: Loss of riding privileges for up to 20 days.

Citation 4: Loss of riding privileges for the remainder of the school year.

Whole Child Focus and System of Supports

At Ferris, we utilize a Multi-Tiered System of Supports (MTSS) to help, support, and encourage students to be their best both academically and behaviorally. The MTSS frameworks for behavior and academics incorporate a Positive Behavior Intervention and Support (PBIS) philosophy and Response to Intervention (RTI) model to determine when to use traditional discipline, restorative practices, trauma sensitivity, cultural responsiveness, academic supports, and instructional strategies.

A MTSS model outlines three tiers of experiences for students:

Tier 1 supports that are available to all students,

Tier 2 interventions for some students, and

Tier 3 focused intervention for a select few students that need intensive support.

An Intervention Team uses specific protocols and tools to ensure students are identified and connected to specific interventions outlined in our MTSS frameworks.

Ferris Behavioral Interventions and Rules of Conduct

The goal of Ferris High School is to serve and educate every student, every classroom, every day. There are times when student conduct and behavior can become an obstacle to this goal. When this happens the staff of Ferris High School will take action to teach students proper social behavior as well as uphold school rules and regulations.

Violations of school rules and regulations will result in a wide range of interventions depending on the degree of the infraction. Violations of classroom rules (except for incidents of extreme disrespect and exceptional misconduct) will result in interventions in the classroom prior to school corrective action. These interventions will be documented prior to referring the student to administration.

Restorative practices will be used whenever possible. Restorative practices are actions agreed upon by a student who engages in misconduct, taken to:

- Help a student increase awareness regarding his or her misconduct.
- Address and attempt to rectify or heal the needs of those who were harmed.
- Improve future behavior and/or relationships.

Examples of restorative practices may include, but are not limited to, mediation, apologies, relationship building, affective statements, community building circles, restorative dialogues/making agreements, repairing harm circles, restorative conferences. Restorative practices could take the form of: (a) alternatives to or interventions in lieu of corrective action; and/or (b) supplemental action taken along with corrective actions.

As a general rule, Ferris High School follows progressive discipline concepts. Progressive discipline may include, but is not limited to, verbal or written warnings, mediation, etc. Progressive discipline steps may be skipped or repeated depending on individual factors and the judgment of the school administrator.

Progressive disciplinary action and interventions are designed to guide students' behavior to acceptable standards. The following listing of specific rules is not meant to be all inclusive. Students will be subject to corrective action any time their behavior is disruptive, illegal, or inconsiderate of others. The specific consequences will be assigned by an administrator or administrative designee who will take into consideration the severity of the action and the impact on the educational environment.

Ferris Behavior Intervention Process

Unless such behavior warrants immediate removal from class and a referral to the office, the following is the procedure for issues that merit discipline:

- 1st Level: Teacher will discuss issue with the student and make a plan to improve that includes a classroom consequence.
- 2nd Level: Teacher will discuss with student and contact parents/guardians informing them of the behavior issue and consequence.
- 3rd Level: Counselor or administrator will be contacted regarding the issue. Counselor will facilitate a mediation.
- 4th Level: Administrator will be contacted and intervention will occur. Alternative placement may be considered depending on the severity of the situation.

RULES OF CONDUCT

These rules for student conduct have been adopted by the administration and the School Board to protect the health and safety of all and to safeguard the educational mission of the district, school, and student. The district's rules apply to all campuses of the district at all times, to all district or school sponsored activities whether held on school property or elsewhere. These rules also apply to out-of-district programs, including Running Start, etc.

Full restitution shall be required for actual damages/injury caused by any misconduct, and school administrators have the authority to impose fines and costs associated with the investigation, clean up, etc., as appropriate, in addition to the other sanctions outlined here.

For behaviors that fall within the definition of more than one offense (even if one or more offenses are discretionary and another or others are nondiscretionary), school administrators retain the authority to charge whichever offense or offenses the administrator deems most appropriate.

DISCRETIONARY DISCIPLINE OFFENSES

The rules of conduct in this section are deemed discretionary discipline offenses.

Prior to imposing corrective action when a student engages in such an offense, a school administrator should consider:

- Restorative practices;
- Progressive discipline concepts;
- Alternative actions and settings; and
- Mitigating/aggravating factors.

School administrators may not impose a short-term suspension for a discretionary discipline offense unless another form of corrective action reasonably calculated to modify similar conduct has previously been imposed. This includes the following offenses:

1. **Academic dishonesty/plagiarism** -- Knowingly submitting the work of others represented as the student's own, cheating, or assisting another student in doing so, or using unauthorized sources.
2. **Bullying** -- Unwanted behavior (other than conduct that falls within the definition of a nondiscretionary discipline offense) that (1) involves a real or perceived power imbalance and is repeated, or has the potential to be repeated, over time; or (2) is a violation of Policy/Procedure 3207 (Harassment, Intimidation or Bullying). 8. **Multiple minor accumulated incidents** -- Discipline for a culmination of multiple minor infractions that both occurred throughout the school year and individually would not rise to the severity of meriting a short-term or long-term suspension or expulsion.

9. Other Behavior

b. **Gambling** -- Playing cards, dice, or games of chance for money or other items of value.

If a student has been suspended or expelled, the student may not be readmitted until the student or parents or legal guardian has made payments in full, or until the superintendent directs otherwise. If the property damaged is a school bus owned and operated by the district, a student suspended for the damage may not be permitted to enter or ride any school bus until the student or parent or legal guardian has made payment in full or until directed otherwise by the superintendent.

When the pupil or guardian are unable to pay for the damages, the school district will provide a program of voluntary work for the pupil in lieu of the payment of monetary damages. Upon completion of the voluntary work the grades, diploma, and transcript of the pupil shall be released. The parent or guardian of the pupil is liable for damages as otherwise provided by Washington State law.

Possession of another person's or district property, regardless of value, without the person's permission with the intent to deprive the owner of such property. As part of the corrective action, restitution will usually be required.

10. **Sexual Harassment** -- Conduct or communication (other than activity that falls within the definition of a nondiscretionary discipline

offense) that is: (1) intended to be sexual in nature, unwelcome by the targeted person(s), and with the potential to deny or limit another student(s) ability to participate in or benefit from a school's education program; or (2) a violation of Policy/Procedure 3205 (Sexual Harassment of Students Prohibited). 14. **Unexcused Absences** – Absences that are not excused.

If corrective action for one or more unexcused absences is used, the District must:

- (a) Provide notice to the student's parent/guardian in writing and by any other means necessary in English or the primary language of the parent/guardian. The notice must say that the student has failed to attend school without valid justification;
- (b) Schedule a conference(s) with the parents/guardians and the student. The conference(s) shall analyze the causes of the student's absences and determine whether the student would be appropriately placed in alternative educational options (as available) designed for his/her educational success; and
- (c) Take steps to reduce the student's absences. If deemed appropriate by district staff, those steps may include adjustments to the student's school program or assisting the parent/guardian in obtaining supplementary support.

Additionally, a student's academic grade or credit may only be adversely affected by reason of tardiness or unexcused absences if:

- (a) The student's attendance or participation is a requirement of the subject or course related to the instructional objectives or goals of the particular subject or course; (example: music, lab science, physical education);
- (b) The student's attendance or participation has been identified by the teacher pursuant to district policy as a basis for grading the subject or course; and
- (c) The circumstances pertaining to the student's inability to attend school have been taken into consideration, including whether the absences are directly related to a student's disability.

NONDISCRETIONARY DISCIPLINE OFFENSES/EXCEPTIONAL MISCONDUCT OFFENSES

The rules of conduct in this section are deemed nondiscretionary discipline offenses and exceptional misconduct offenses. HB 1541, Section 105(4) – (7); RCW 28A.600.015; WAC 392-400-245; WAC 392-400-260.

Prior to imposing corrective action when a student engages in such an offense, a school administrator should consider:

- Restorative practices;
- Progressive discipline concepts;
- Alternative actions and settings; and
- Individual Factors

However, because these offenses are more serious nondiscretionary discipline offenses and are deemed exceptional misconduct, school administrators may, in certain circumstances, impose a suspension or expulsion regardless of whether prior corrective action was imposed for a similar offense.

1. **Alcohol** -- A liquor violation under RCW 66.44.270, including possessing, consuming, acquiring, selling, giving, or otherwise supplying liquor.

A contract may be developed to allow up to fifty percent (50%) of any suspension held in abeyance, if the student successfully complies with the terms and conditions of the contract.

2. **Bullying** –Behaviors that involve a real or perceived power imbalance and are repeated, or have the potential to be repeated, over time; and that:

Note: Under RCW 28A.635.060(1), the school district may withhold the grades, diploma, and transcripts of a pupil responsible for intentional damage or loss to the property of the district, a contractor of the district, an employee, or another student until the pupil or the pupil’s parent or guardian has paid for the damages. If a student has been suspended or expelled, the student may not be readmitted until the student or parents or legal guardian has made payments in full, or until the superintendent directs otherwise. If the property damaged is a school bus owned and operated by the district, a student suspended for the damage may not be permitted to enter or ride any school bus until the student or parent or legal guardian has made payment in full or until directed otherwise by the superintendent.

When the pupil or guardian are unable to pay for the damages, the school district will provide a program of voluntary work for the pupil in lieu of the payment of monetary damages. Upon completion of the voluntary work the grades, diploma, and transcript of the pupil shall be released. The parent or guardian of the pupil is liable for damages as otherwise provided by Washington State law.

Possession of another person’s or district property, regardless of value, without the person’s permission with the intent to deprive the owner of such property. As part of the corrective action, restitution will usually be required.

Thus, discriminatory harassment includes any such conduct or communication (i.e., motivated by a person’s protected status as listed in Policy 3210) that falls within the same definition of bullying, but that is also motivated by a person’s protected status as listed in Policy 3210.

- 5. Illicit Drugs (Not Marijuana)** – Any violation of controlled substance law under RCW 69.50 not involving marijuana, including unlawful use, cultivation, manufacture, distribution, sale, solicitation, purchase, possession, transportation, or importation of any controlled drug or narcotic substance.

A contract may be developed to allow up to fifty percent (50%) of any suspension held in abeyance if the student successfully complies with the terms and conditions of the contract.

- 6. Marijuana** --Any violation of the controlled substances law under chapter 69.50 RCW involving marijuana, including unlawful use, cultivation, distribution, sale, solicitation, purchase, possession, transportation of cannabis or violation of other district drug policy.

A contract may be developed to allow up to fifty percent (50%) of any suspension held in abeyance if the student successfully complies with the terms and conditions of the contract.

Note: It is expected that a student should first retreat from any threat of harm and/or contact an adult staff member for assistance before engaging in any type of physical response to an assault. However, an administrator may decide not to subject a student to corrective action or punishment (or may decide to subject a student to a lesser form or corrective action or punishment) if, following a reasonable investigation, the administrator determines that all of the following are true:

- a) A student who is being assaulted or witnesses another student being assaulted acts in a manner that is defensive and protective of himself/herself or others;
- b) The student is acting in a manner that a building administrator determines is reasonable and/or necessary in light of the circumstances; and
- c) The student did not instigate, provoke, or promote the violence by his or her words or conduct immediately prior to the assault.

A reasonable physical response to an assault may include holding the assailant's hands or arms to prevent the assault, or pulling two fighting students apart and holding them until staff can arrive and intervene.

See HB 1541, Section 105(6)(b); RCW 13.04.155.

The term 'sexual' includes 'gender-directed' conduct or communication. Policy 3205; RCW 28A.640.020; WAC 392-190-056

Complaint to the School District

- 1. Write Out Your Complaint:** In most cases, complaints must be filed within one year from the date of the incident or conduct that is the subject of the complaint. A complaint must be in writing. Be sure to describe the conduct or incident, explain why you believe discrimination, discriminatory harassment, or sexual harassment has taken place, and describe what actions you believe the district should take to resolve the problem. Send your written complaint—by mail, fax, email, or hand delivery—to the district superintendent or civil rights compliance coordinator.
- 2. School District Investigates Your Complaint:** Once the district receives your written complaint, the coordinator will give you a copy of the complaint procedure and make sure a prompt and thorough investigation takes place. The superintendent or designee will respond to you in writing within 30 calendar days—unless you agree on a different time period. If your complaint involves exceptional circumstances that demand a lengthier investigation, the district will notify you in writing to explain why staff need a time extension and the new date for their written response.
- 3. School District Responds to Your Complaint:** In its written response, the district will include a summary of the results of the investigation, a determination of whether or not the district failed to comply with civil rights laws, notification that you can appeal this determination, and any measures necessary to bring the district into compliance with civil rights laws. Corrective measures will be put into effect within 30 calendar days after this written response—unless you agree to a different time period.

Appeal to the School District If you disagree with the school district's decision, you may appeal to the school district's board of directors. You must file a notice of appeal in writing to the secretary of the school board within 10 calendar days after you received the school district's response to your complaint. The school board will schedule a hearing within 20 calendar days after they received your appeal, unless you agree on a different timeline. The school board will send you a written decision within 30 calendar days after the district received your notice of appeal. The school board's decision will include information about how to file a complaint with the Office of Superintendent of Public Instruction (OSPI).

Harassment, Intimidation or Bullying (HIB)

Washington State law prohibits harassment, intimidation, or bullying (HIB) in our schools. The law and Policy and Procedure 3207 defines harassment, intimidation or bullying as any intentionally written message or image— including those that are electronically transmitted— verbal, or physical act, including but not limited to one shown to be motivated by race, color, religion, ancestry, national origin, gender, sexual orientation, including gender expression or identity, mental, physical or sensory handicap, or other distinguishing characteristics, when an act physically harms a student or damages the student’s property; has the effect of substantially interfering with a student’s education; is so severe, persistent or pervasive that it creates an intimidating or threatening educational environment; or has the effect of substantially disrupting the orderly operation of the school. Schools are required to take action if students report they are being bullied, and any district staff member can take the report. Individuals who believe there has been a violation of policy are encouraged to contact their building administration or HIB/Student Civil Rights Officer, Jodi Harmon 354-7306. Further information and complaint forms can be found at spokaneschools.org/nondiscrimination.

Unlawful Discrimination

Allegations of discrimination should be reported to your child’s teacher or principal immediately. This will allow the school the opportunity to address your concerns and resolve the situation as soon as possible. Unlawful discrimination is the unfair or unequal treatment of a person or a group because they are part of a defined group, known as a protected class. Discrimination can occur when a person is treated differently, or denied access to programs, services or activities because they are part of a protected class. Discrimination can also occur when a school or school district fails to reasonably accommodate a student or employee’s disability. A protected class is a group of people who share common characteristics and are protected from discrimination and harassment by federal and state laws. Protected classes defined by Washington state law include: sex, race, color, religion, creed, national origin, disability, sexual orientation, gender expression or identity, honorably discharged veteran or military status, or the use of a trained dog guide or service animal. If you are unable to resolve your concerns with your child’s teacher or principal, contact Melanie Smith, Harassment, Intimidation, Bullying (HIB)/Student Civil Rights Officer, (509) 354-7284, MelanieSm@spokaneschools.org to discuss your concerns or to file a complaint. If you cannot resolve your concern with the school, you may wish to file a formal complaint with the school district. Procedure 3210 provides the procedure for filing a discrimination complaint. There are three (3) steps: Step 1: Complaint to School District Superintendent, Step 2: Appeal to the School Board, and Step 3: Complaint to OSPI. The instructions on how to follow these steps may be found at k12.wa.us/policy-funding/equity-and-civil-rights/complaints-and-concerns-about-discrimination.

Complaint to OSPI

If you do not agree with the school district’s appeal decision, state law provides the option to file a formal complaint with the Office of Superintendent of Public Instruction (OSPI). This is a separate complaint process that can take place if one of these two conditions has occurred: (1) you have completed the district’s complaint and appeal process, or (2) the district has not followed the complaint and appeal process correctly. You have 20 calendar days to file a complaint to OSPI from the day you received the decision on your appeal. You can send your written complaint to the Equity and Civil Rights Office at OSPI. You can do this in the following methods. · Email: Equity@k12.wa.us · Fax: 360.664.2967 · Mail or hand deliver: PO Box 47200, 600 Washington St. S.E., Olympia, WA 98504-7200
