Being that

 time that I have signed  
 this for you I'll try to  
 write it so you can read it.

 that I have ever met. You're friendly and  
 people can talk to you about anything to you. I  
 hope that next year well be in some of the same

 if you stay as nice as you are I will go along every in  
 whatever you do. Be good + have fun this summer.

Well I still don't know what to say or I guess I'd better write something at least cuz I will do my best. Pam (my sister) was write right about you. In 7<sup>th</sup> grade and 8<sup>th</sup> grade Pam told so much about you. I'm so glad when I get to know each other so well. Our friendship means so much to me. Hope you feel the same way. This summer maybe you can come with us (family) to our lake (Lake <sup>lake</sup> Jackson). You still haven't stayed over night at my house but don't worry about it you will pretty soon. Its to bad you only got in 1 class of mine.

CHRISTINE MOGUE

CHRISTINE MOGUE is better than none. Right. If you still are planning to go to summer school this summer I guess you can't go with us to the lake. Right. But maybe not. You are really fun just like Pam said. I had so much fun getting to know you this year and I hope you feel the same way. I am so lucky to be real good friends with you. I'm always wishing and hoping that someday soon that George and I would be good friends again.

But it still hasn't come true yet. It probably will never come true but I'm still praying a whole lot. George told Pam that he isn't as mad as he used to be thank goodness. From now on I learned to think before I say something. I hate how all this mix up started. I used to say stuff before I thought about it. I still do it but not as much anymore. Next year I hope we are still good friends like we are now. You are so much fun. Well I've lost out of space. So I'll close.
