Target Purpose

Specially designed instruction provides individual or small group instruction for students who require support to reach their IEP goals in reading, writing, math, behavior or in adaptive behaviors such as following rules, managing money, grooming, making friends and avoiding danger.

Class Profile

Students in my Designed Instruction (DI) class have been diagnosed with one or more disabilities or disorders and are performing lower academically, functionally, or behaviorally than their same age peers.

Progress monitoring

Progress reports will be issued to parent(s)/guardian(s) annually with the IEP and with report cards at the end of each term.

Missed work/Make-up policy

Missed work and assignments are given to the students upon their return back to school

Classroom rules for Student Behavior

1. Follow directions
2. Listen when others are talking
3. Work and play in a safe manner
4. Work quietly and do not disturb others
5. Show respect for school and personal property
6. Keep your hands, feet and other objects to yourself

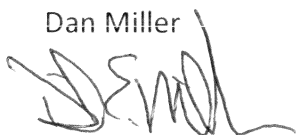

Communication with parents

I look forward to working with parents to help your child make progress with his/her educational, behavioral, functional and adaptive goals. Please contact me any time to discuss any ideas or concerns. The best way to get in contact with me is through email. My email address is Danielmi@spokaneschools.org.

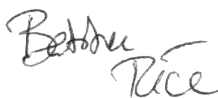

I will keep in touch with parents and guardians during the school year with calls and emails. Regular correspondence from the parents is highly encouraged and welcomed. If you plan on meeting me, you are always welcome to stop by my classroom anytime throughout the school year. For best results, please email me and schedule an appointment ahead of time so I can best meet your needs and answer all of your questions.

Best regards,

Dan Miller
