Check: Go back and confirm your thesis statement reflect the above requirements

CONCLUSION: A couple things need to happen in this paragraph... 1. Restate your thesis sentence, 2. Write sentence(s) that answers the following questions – How did the factors cause the World War 1 conflict? What happened as a result of WWI (ex: America’s entrance as a world power, the Treaty of Versailles, Germany’s retributions, Hitler’s rise to power, WW2...you choose)? Why is the issue of global conflicts an important area to study today?
