USDA CERTIFICATION REGARDING DEBARMENT**

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this form, the prospective lower tier participant is providing the certification set out on the next page in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred", "suspended", "ineligible", "lower tier covered transaction", "participant", "person", "primary covered transaction", "principal", "proposal", and "voluntarily excluded", as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions", without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

EQUAL EMPLOYMENT OPPORTUNITY COMPLIANCE STATEMENT**

Vendors who desire to provide the Spokane School District No. 81 with equipment, supplies and/or professional services must comply with the following equal employment opportunity requirements. During the performance of this contract, the respondent agrees as follows:

1. Respondent agrees to comply with all Local, State and Federal Laws prohibiting discrimination with regard to race, creed, color, national origin, sex, marital status, age or the presence of any sensory, mental or physical handicap.
2. The respondent will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, or mental or physical handicap. The respondent will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, creed, color, national origin, sex, marital status, age or the presence of any sensory, mental or physical handicap. 5. Any respondent who is in violation of these requirements, or an applicable Equal Employment Opportunity, shall be barred forthwith from receiving award of any purchase order from this district or shall be subject to other legal action or contract cancellation unless satisfactory showing is made that discriminatory practices, or non-compliance with applicable affirmative action programs have terminated and that re-occurrence of such acts is unlikely. This includes compliance with Section 503 and 504 of the Vocational Rehabilitation Act of 1973 and Sections 2012 and 2014 of the Vietnam Era Veterans Readjustment Act of 1974.

"WILL CALL: LOGISTICS PLAN:

All "in stock" items are generally shipped out the same day if the order is placed before 2:00pm. Depending on the distribution center that the item is stocked in we will deliver within 5-10 business days. You will be immediately notified of unexpected delays and longer lead times accordingly.

While we try to consolidate shipments as much as possible for your convenience, we cannot guarantee every item will ship together as we ship to you from nine separate warehouses distributed across the U.S. The geographical spread of our warehouse locations allow us to ship items quickly, but we do not stock each item in all locations. If you need part of your order within a certain date, please contact us to determine the feasibility of your required deadline.

We also utilize Fedex for smaller orders and do so because of the speed of delivery possible. If possible, all orders will be placed with a "call before delivery" but if the order is shipped via Fedex that cannot be guaranteed. Large orders that ship via common carrier will always be associated with a call before delivery, the carrier will reach out directly to a contact at your district to organize the delivery.
