**Agenda Item Details**

Meeting	Jul 15, 2020 - Regular Meeting
Category	6. CONSENT AGENDA
Subject	L. Bid No. 3-1819 (Renewal); US Foods, Inc., Bakery Products for FY 2020-21, Alternate Purchase No. 116-2021
Type	Action (Consent)

Recommendation:

Approve issuance of a purchase order to US Foods, Inc., Spokane, WA, for bakery product items delivered directly to each school site in the anticipated amount of \$225,000.00 for the 2020-2021 school year and 2021 summer feeding program.

Background:

Bakery items incorporated in this recommendation are to support the Nutrition Services school meal and ala carte programs. This recommended award is for bread products to be delivered directly to each district school site. The district received bids from the two vendors who participated in the summer 2018 solicitation; US Foods (formerly Food Services of America) and United States Bakery – Franz, with US Foods (FSA) being the lowest responsible bidder. As such, it was recommended the bid be awarded to US Foods. This is the first of four optional renewals. The district's nutrition program at each site has been receiving bakery product deliveries directly from FSA for the past eleven years, and has found this to work well. By not sending the bread items through our warehouse, products received are fresher since there is no time delay caused by the "middle man" method of distribution; this also frees up central warehouse freezer space. Expenditures in support of the Nutrition Services meal programs are from the general fund.

Our adopted rules of Parliamentary Procedure, Robert's Rules, provide for a consent agenda listing several items for approval of the Board by a single motion. Most of the items listed under the consent agenda have gone through Board subcommittee review and recommendation. Documentation concerning these items has been provided to all board members and the public in advance to assure an extensive and thorough review. Items may be removed from the consent agenda at the request of any board member.
