Meeting	Jul 15, 2020 - Regular Meeting
Category	6. CONSENT AGENDA
Subject	K. RFP No. 19-1617 (Renewal); Processing with USDA Beef, Alternate Purchase No. 115-2021
Type	Action (Consent)

Recommendation:

Approve issuance of a Purchase Order to JTM Provisions Co, Inc., Harrison, OH, in the estimated amount of \$105,000, for beef products processed with USDA beef commodities during the 2020-21 fiscal year per the terms and conditions of RFP No. 19-1617.

Background:

This recommendation is designed for Spokane Public Schools to partner with a USDA-approved beef processor who can take the district's bulk beef allotment and make it into patties, dipping strips and other finished beef products with emphasis on using 100% beef without added fillers. The district utilized the Request for Proposal soliciting style; this allowed other product and company aspects besides cost to be considered when determining award. This process involved product taste testing, back-of-kitchen scoring and reference checks conducted on the eligible USDA beef processors. Of the three USDA-approved beef processors who responded, only two carried a full line of beef products used by the district. JTM Provisions Co., Inc. received the most points in the overall evaluation and received the initial bid award. This will be the third of four optional annual renewals as allowed for in the RFP terms and conditions. The District has contracted with JTM for the past seven years and find their product and service acceptable. Expenditures from this purchase will be from the general fund.

Our adopted rules of Parliamentary Procedure, Robert's Rules, provide for a consent agenda listing several items for approval of the Board by a single motion. Most of the items listed under the consent agenda have gone through Board subcommittee review and recommendation. Documentation concerning these items has been provided to all board members and the public in advance to assure an extensive and thorough review. Items may be removed from the consent agenda at the request of any board member.

RE: Beef 100154 Diversion RFP # 19-1617 Annual Renewal

This letter is confirming the rollover award of items from Spokane Public Schools (SPS) USDA Diversion for the 2019-20 school year. The effective dates of this contract are from July 1, 2020 through June 30, 2021. **Please confirm processing fees by updating the price list below and confirm the amount of USDA draw down per case of approved product by January 28.** Note that items may have been added to the list of approved items based on RFP/bid language that allows the addition of approved Summary End Product Data Schedule (SEPDS) items.

CONTRACT AND PROCUREMENT REVIEW REQUIREMENTS: Please ensure compliance with the following contract and USDA procurement review requirements.

INTERLOCAL AGREEMENTS:

- **Interlocal Agreement Contract Value:** The value of the interlocal agreements contract for the 2020-21 school year is estimated to be \$188,000 in processing fees.
- The current list of interlocal agreements cannot be changed during the school year. Districts can make a request to participate in this RFP each February for the following school year. Vendor will ensure only approved interlocal agreement schools access the RFP/bid. The current approved list of school districts is: Central Valley, Colville, East Valley Spokane, Ephrata, Kettle Falls, Mead, Medical Lake, Newport, Nine Mile, North Franklin, Pasco, Pateros, Pullman, South Kitsap, Sumner, West Valley Spokane. This list of districts may be updated after final processing orders have been placed.
- Districts cannot be added to this USDA diversion bid unless approved by the Spokane Public Schools. The time for districts to be added is by the beginning of February to align with USDA Foods planning and diversions for the following school year.

SPS RFP/bid CONTRACT:

- **Contract Value:** The value of the SPS prime vendor contract is approximately \$105,000 in processing fees for the school year.
- Vendor will provide an updated Summary End Product Data Schedule for their approved USDA Foods by January 10 each year, and any time there is a change to the SEPDS.
