

Principal's Corner

Dear Lincoln Heights Families,

As we approach the end of the school year, we wanted to take a moment to remind you that there is only one month left until summer break! We know that this time of year can be both exciting and challenging, but we want to encourage you and your children to keep pushing through.

The final stretch of the school year can sometimes feel like the most difficult, but it is important to stay focused and motivated. Encourage your children to continue working hard, arriving to school on time, and completing assignments to the best of their abilities.

As we countdown to summer break, let's celebrate the progress that has been made so far and look forward to a well-deserved break. We encourage you to support your children in staying organized, managing their time effectively, and seeking help when needed.

We have a lot of fun events scheduled in the next few weeks so please make sure you are checking email and backpacks often for upcoming activities. As a reminder, there is no school on Monday, May 27th in observance of Memorial Day.

Thank you for your continued partnership in your child's education. Together, we can finish the school year strong and set the stage for a successful summer break.

Sincerely,

Meghan Anderson and Alyson Chamberlin
