Updated 8/21/2019

Computers are available for use during the Support Labs or students can bring their own laptop.

*The Hillyard Public Library offers laptops for Spokane Public Schools High School students to check out for home use, using their Library/SPS school account. The application for the Spokane Public Schools and Spokane Public Libraries Laptop Program can be found on the SVL website www.SpokaneVirtual.com or completed at the Hillyard Public Library.

HotSpots are also available to Spokane Public Schools High School Students. There is a $50.00 charge that is added to the student account, if not returned. The application and more information can be found on the SVL website: www.SpokaneVirtual.com
