Scrip Order Due!

Thank you for a great start! These weekly bulletins from me will be sent home each week with your teacher's weekly information. They include important updates to the calendar, information, notes of gratitude and sometimes something inspirational! I am on the same journey as you with my own children in Montessori. I keep learning each year and I love finding new and better ways to do things. Please reach out with any information you might like to share and feedback to offer. We are always looking to grow and improve. Sometimes you might not even know what you need, but that is ok too! We can guide you and simply listen with a supportive ear. I can assure you that every adult in this building is dedicated to your child. In my twenty-four years in education I have not found a more caring and committed group of people. We are thrilled to be a part of your child's journey!

-Shannon

"Coming together is a beginning, staying together is progress, and working together is success." —Henry Ford

Attitude of Gratitude

- Thank you to all the families who helped weed, water and harvest the garden this summer!
- Thank you to all the bus riding families for your patience and flexibility! Bus routes are often the hardest part of starting school!
- Thank you for all the wonderful supplies, and your time to drop them off and see your classrooms!
- Thank you to all the families who cared for our classroom pets this summer!
