Each year we look for a date that is a 22 on a Tuesday. We look for this because we tragically lost two little girls four years ago from our community who were beautiful souls who loved to dress up in fancy dresses. Their mother was our school nurse at the time. We created a donation drive for Foster Children of fancy dress up clothes to honor the little lives that were lost that year. It is a day to dress up, wear a tutu if you have one and bring in dress up clothes that are new or gently used for Kid and Teen Closet. The 22nd of October is our Tutu Tuesday this year and we welcome the opportunity for a fun dress up day and a day to honor and give back to children with the collection of dress clothes. You can send donations either to the classroom or the office next week. Thank you for helping us keep this tradition of honoring this family going. As parents we can't imagine living through the loss of a child and this event helps us remember these precious twirling little souls.
