Each day I am struck with at least one moment where I call upon gratitude for this opportunity to work alongside you and your children. It is a privilege to be able to lead such a dedicated staff and such a supportive parent community. I am truly hopeful you have time as a family to connect with each other and your goals as a family enjoying the pause these holidays can offer us to reflect. At times the holiday season can be a trigger of stress both financially and emotionally. Our counseling team can offer support in both areas with confidentiality so please reach out for support. I hold fast the amazing journey I am on with your children. Happiest Thanksgiving wishes to you all!

"The more we express thanks, the more gratitude we feel. The more gratitude we feel, the more we express thanks.

It's circular, and it leads to a happier life." – Steve Goodier
