Black Friday is near and that means the presale of our Auction tickets go on sale! The auction is our largest fund raiser and we try hard as a community to do just that... build community. In addition to raising the majority of our school's funds for classroom supplies, scholarships for camp out and field trips and family night events it is a genuinely a really fun time for adults to enjoy an evening laughing, dancing, and enjoying time together. The committee works to ensure that everyone can attend waiving the ticket cost for volunteer service at the event and there are a wide range of price points so every contribution large or small is valuable. In a week that celebrated gratitude I am so thankful that we don't sell gift wrap, baked goods or chocolates but we work on passive ways to enjoy life and create funds for our unique school program. Most of all I am grateful to all the families that work so hard to make events such as the auction happen for a better school for our children! Let's take the leap this year! -Shannon

"There is no power for change greater than a community discovering what it cares about." – Margaret J. Wheatley

Attitude of Gratitude

- Thank you, families, in Ms. Orlando and Ms. Bradley's classroom for the Stone Soup celebration donations and support!
- Thank you auction committee for all the hard work you have already done to create a wonderful event to support our school!
- Thank you, Stephanie Hughes, for your development of the Entrepreneur Night!
- Thank you, families of students, engaged in factory production for Entrepreneur Night! So much good learning taking place!!! I am so hopeful we sell out!!!
