**The Child's Journey Day
#2**

Welcome to a new year everyone! I had the joyful opportunity to surprise my children with a trip to Orlando on Christmas morning. It was amazing on many levels and I found myself lost in the magic of the theme park, the tranquility of the pool and the wonder of the ocean. It is amazing how screaming your lungs out on a ride far too thrilling for my 47-year-old heart really helped me let go of any stress or pressure. It was almost worth the four hour wait in line! As we returned to the winter weather, I want to remind you that we are an all-weather recess school. It is rare that the wind chill or rain is significant enough for us to stay indoors for recess. Please be sure your children have snow pants, boots, coats, gloves and a hat or hood during winter weather. Without proper clothing they are limited to the blacktop which is shoveled and dry. All children have the opportunity to stay in the lunchroom as long as they want or need. A spare set of clothes is important if they do get wet or muddy and of course we need an indoor only pair of shoes since students spend a great deal of time working on the floor. Thank you for helping us replenish lockers and bring the correct gear. -Shannon

"I hope that in this year to come, you make mistakes. Because if you are making mistakes, then you are making new things, trying new things, learning, living, pushing yourself, changing yourself, changing the world."
Neil Gaiman

Attitude of Gratitude

- Thank you to all the families able to attend our band and strings concert! It is amazing how much progress they have made since fall!
- Thank you for having a spare set of clothes and pe/indoor footwear for your children!
- Thank you for the many gifts and treats you brought for staff! We are always amazed and grateful for your kindness!
