PPL Day! NO SHOP!

Happy Birthday Tom Coghlan!

At Montessori we host three whole school events to celebrate the seasons rather than classroom parties or celebrations. This month we have our first all school event with our Bowling Bash on February 14th. Thank you in advance for sending in your fee, your child's shoe size and permission. This is a fun event to celebrate winter doing something active and students have prepared during Fitness with their unit on bowling. Mrs. Bingley has worked hard to plan this event for our school! We will have an art party in spring and then a field day to end the year. With these seasonal celebrations we honor the diversity in our school culture and comply with the non-food celebration policy in the district. Thank you for supporting our school celebrations and keeping holiday celebrations to each individual family custom and culture. If any of you are an artist willing to host a class with kids or know of an artist, please share the information with myself or Kim Webster! We are already planning our spring celebration! -Shannon
