Principal's Message

Dear Hutton Families,

We have just started to settle into the routine of school. I want to thank all of the teachers for hosting successful Virtual Open Houses this past week. Thanks, as well, to all the families that attended and many who have offered to support our school at the start of the year in so many ways.

As I have reflected over this month, I understand that we are still dealing with the stress and reality of a pandemic. Things seem to be ever-changing. The one thing that I've come to learn is that our students, staff and community are resilient. Together we can accomplish so much. Let's lock arms as a community and make the 2021-22 school year the absolute best! I read a quote somewhere that said, "Positivity isn't standing in the rain and saying it's not raining. It's finding a silver lining in the clouds." Your children, my staff and this community are my silver lining. What's yours?

Principal Simmons

Hutton is in need of In-Building Aides to support students in the lunchroom during the noon hour and after school. The wage for this position is \$14.19 per hour. It is a great way to interact with students and become more involved in the school that your child or children attend. For more information, please call the Hutton office at 354-3030 between the hours of 8 and 4 pm.

IS YOUR CHILD READY FOR SCHOOL TECHNOLOGY AT HOME?

School technology may need to travel home if inclement weather forces the closure of school or if your child is at home in quarantine. Families are asked to complete the laptop check-out process. Doing so proactively will allow the school to provide students access to tech at home on short notice.

Laptop Checkout Agreement

If my student is quarantined, how will they receive school instruction?

Teachers will work with parents/students to determine a learning plan that may include either Lexia/ Dreambox/ Kahn Academy (6th Grade Only) or take-home packets. Please contact your child's teacher for more information. Please click below for quarantine guidelines and FAQ about health and safety.

SPS COVID Safety Protocols

Thank you to our community partner, Summit Church!

SCHOOL GROUNDS OPEN AT 8:15 AM

For the safety of all, students should not arrive on campus before 8:15 am. There is no supervision outside before this time. Even if a care giver is walking them to school, Hutton asks that they arrive after 8:15 am so that students walking or biking alone see that the grounds are closed until 8:15 am each day.

HUTTON HAWK SPIRIT FRIDAYS!

Calling all students, staff and parents -- Join us every Friday as we show our school pride by wearing your favorite Hutton Hawk Gear!
