Principal's Message

Hello Hutton Families,

Fall is officially here! It is very evident as we look around. You can feel the change in the air and notice the leaves are beginning to turn. Our social emotional focus for the month is Respect. Respect is seeing good in people and things and treating them with care. I can see our little Hawks demonstrating respect in many ways each and every day throughout our school. The great Maya Angelou said, "I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel." I want our Hawks to have a positive feeling about their experience at Hutton Elementary.

The school is buzzing and alive! It is so wonderful to see students accessing literature in our library again, playing instruments and even singing in music. It is great to have students be able to engage with the arts again. Teachers are receiving specialized masks that will allow students to sing and students playing wind instruments will have special covers that will prevent the spread of droplets into the air. It is wonderful to hear music in the building again. Finally, in Health and Fitness, students can once again engage in fitness games and activities with partners and groups while masked. I am so excited that our students can once again engage in these learning experiences which are all important to a well-rounded education.

Thanks again for all that you do to support our students and our community.

A Heart for Hutton,

LaTonya Simmons
