Principal's Message:

Happy Fall Hutton Families!

September has flown by for us here and we are moving into a very full October. We are excited to be fully launched into another school year and grateful that we were able to have our students learning in-person from the start. We know that the credit for this goes to our entire community. Thank you for keeping your child home when they are sick. We appreciate your vigilance in keeping our students and staff safe. Please be mindful that the weather is changing. Be sure to have your child dress appropriately for the weather.

What a fun fall season! We are looking forward to Hutton's Great Pumpkin Parade on Friday, October 22nd from 5:30-7:00 PM. We are grateful to our PTG and parent volunteers for hosting such a wonderful event that is sure to be a great time for the entire family. I look forward to seeing you all there.

I am looking forward to the hustle and bustle of having our amazing volunteers back in our building. Your presence has been missed, as you are so vital to the work we do here in our school. If you are interested in volunteering for the first time, please complete a volunteer clearance application, which is available in the Hutton office. Approved volunteers will be welcomed back into our building after October 18th. We are so excited to have you back!

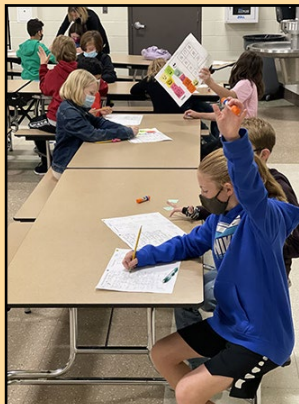

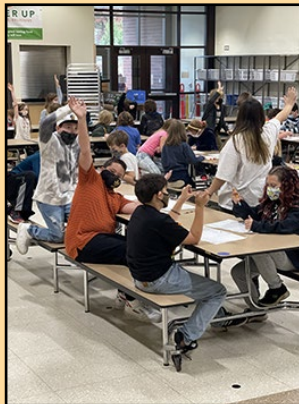

Finally, our teachers are always finding creative ways for our scholars to engage in learning. This past week, our 5th grade teachers were able to bring back an awesome learning tradition – Math Olympics. As I walked through the MPR, I noticed our scholars using different strategies to solve math problems and collaborating with peers to compare their strategies and their work. It was a sight to see!

As always, thank you for your partnership and continued support.

A Heart for Hutton,

LaTonya Simmons

The Great Pumpkin Parade

Join the Hutton community on Friday, October 22nd from 5:30-7 PM for Hutton's first ever Great Pumpkin parade. This outdoor event is a safe and fun way for families to show off their costumes, get some treats and enjoy some music! The parade will start on the blacktop and go around the school with a few stops along the way for Halloween snacks and treats. Families can start at any time to walk the route. The route should take around 20 minutes.

Visit all four stops and you'll be entered into a drawing!

Volunteers, we need you! Please be sure to sign up using the [Sign Up Genius](#). All volunteers must have proof of vaccination or exemption on record with the school district as well as volunteer clearance on file with the school.

Hutton PTG

Parents, please send your student with extra masks for school. It's helpful to have extra masks at school just in case.

From our Librarian, Rachel Peters

Check out the latest [Hutton Library Newsletter](#) from Ms. Peters. We love having our Library operational again!

All SPS students and staff can get a [Free Library Card](#) from the Spokane Public Library. Get reading, Hutton Elementary!

From our Nurse: COVID Health and Safety Info

Please keep your child at home if they are experiencing any of the symptoms below. It's our first desire to keep everyone safe and we thank you for your understanding and help in the matter. Please call the attendance line, 354-3060 to report your child's absence.

- Fever of 100.4 or higher or chills
- Cough
- Shortness of breath or difficulty breathing
- Unusual fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose – not related to seasonal allergies
- Nausea or vomiting
- Diarrhea

Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

Per the Spokane Health District guidelines the school will need either:

1. A doctor's note to excuse them.
2. A negative Covid test (not a rapid test).
3. If #1 or #2 is not possible then the student will need to stay home 10 days from the onset of symptoms.
