Principal's Message:

Hello Hutton Families,

All next week, November 1-5, students will be released at 1:00 for conferences. If you have not yet signed up for a conference with your child's teacher, there's still time to get signed up. Please call our office and we will help you get scheduled as the online scheduling portal has closed.

Teachers have worked to provide extended hours outside of their contract day to be available to meet with families. Please do not pass up this great opportunity to partner with us! We are shooting for 100% of our Hutton Hawks having their family sit down with the teacher, celebrate successes and make plans for continued growth in identified areas.

Thank you in advance for partnering with your child's teacher to help your youngster see the greatest possible success this year!

A Heart for Hutton,

LaTonya Simmons

Pick-Up and Drop-Off Safety

We understand that limited parking can make pick-up and drop-off challenging. Pick-up and drop-off are set up for drive-through to alleviate the need to park onsite during those times. However, if you need to park, please park only in designated areas. Parking in the loop or the cul-de-sac causes congestion in traffic.

On 24th avenue, parents are stopping to get out of cars, which causes back up in traffic and makes it difficult for other cars to maneuver and exit the cul-de-sac. Please remember to drive slowly. Thank you for keeping our students and staff safe. Please see [Map](#) for designated parking locations.

The Christmas Bureau is a holiday assistance program that provides grocery vouchers, books and toys to homes in need over the holidays. For further information on how to apply or donate please visit [The Christmas Bureau](#).

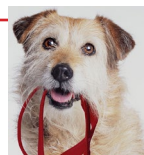

Congratulations to our 27 runners who participated in the All-City Cross Country meet last Saturday, October 23rd.

The weather is changing so remember to dress for it by wearing the appropriate clothing.

Pets on school grounds MUST be leashed.
Please remember to clean up after your pet.

From the Nurse

Parents, please follow these [COVID Health and Safety Guidelines](#) when your child is ill.

Are you not receiving communication from Hutton or Spokane Public Schools?

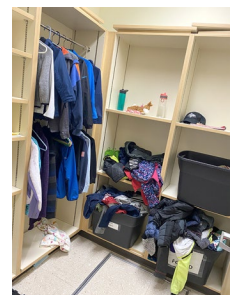

Hutton, and all schools. In Spokane Public Schools, we utilize Blackboard Messenger to send recorded phone calls, test messages and emails to families. This is the main form of communication if an emergency arises.

If you are not receiving emails, it is possible that the email on file is incorrect or that you have unsubscribed in the past.

If you are not receiving text messages, it can mean the phone number Hutton has in the system is incorrect or that texts from the school and district have been blocked. To ensure that texts have not been blocked, simply text the word "START" to 60680.
