Principal's Message:

Hello Hutton Community!

I want to start off with a BIG shout out to our AMAZING ASB students and our teacher leaders that are overseeing ASB this year, Mrs. Fernandez (5/6 Multiage Classroom) and Mrs. Peters (Librarian). Our students are getting involved in so many ways throughout our school. I had a chance to sit in on an ASB meeting this week and I am so proud to see how they work together and are encouraged to think about how to be actively involved in our school and community. They are really doing an amazing job and are great leaders in our school.

On another note, I wanted to provide a little information about two results-based computer programs to meet students right where they are in reading and math. Dreambox (mathematics) and Lexia (reading) learn from your child's successes and errors and adjusts the program to meet their individual needs. It is very important that our students are completing a minimum of 10 units in Lexia and 5 lessons in Dreambox a week to fully reach grade level standards by the end of the school year.

Students are completing lessons each week at school, but you can also support by providing time for your child to access these resources at home. To sign in to either program from home, go to <https://clever.com/in/spokaneschools>. Their username is their last name + the last 4 digits of their SPS student Identification number + @sps81.org. For example, if I were a student, my username would be simmons####@sps81.org. And their password is their 8 digit birthdate (MMDDYYYY). I am excited to see how much our students continue to improve over the course of the year with expert classroom instruction, combined with the above-mentioned online resources, as well as your support and guidance at home.

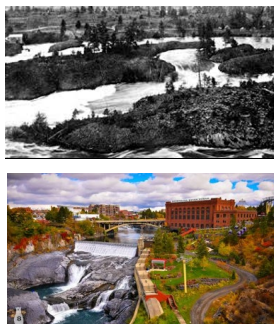

Thank you for your partnership,

LaTonya Simmons

Silverwood Read to Ride

Read to Ride program is back! Beginning January 1 students are eligible for a free Silverwood ticket if they complete 10 hours (600 minutes) of reading. Reading logs have been sent home with students. This program will run from January 1-March 31. All forms **MUST BE TURNED INTO THE OFFICE BY MARCH 31**. No late forms will be accepted. Any questions, please contact Mrs. Wiechman, 354-3030.

Dressing for the Weather

Please send your students to school with proper winter attire. In extreme cold conditions, the wind chill factor is considered when deciding if we should have indoor recess. On cold weather days, it's only a couple degrees difference between staying inside or going outdoors. Please have your child dressed appropriately.

Class Pictures

For safety reasons, class pictures will not be taken this year. Individual student photos will be edited into a class group for the yearbook. If you would like to order a composite of the class, forms will be coming home soon. Orders are due by February 4th.
