## Principal's Message:

Hutton Families,

Thank you for another wonderful and productive year! We've made lots of new memories this year and look forward to the ones we will make in years ahead. Our teachers, students, and parents have navigated challenges with poise and perseverance. I am so proud of our entire Hutton family.

As the end of the year approaches, it can be a challenge to keep our young learners' eyes on the prize in their education. We invite you to help us in reinforcing with students that attendance at school and a continued effort toward their schoolwork is still expected and respected. We want to finish the year strong together.

Finally, helping students do their best in school requires a team effort. Parents, students, and schools all play important roles in this process. To help all of us learn how to make your child's schooling experience as positive and beneficial as possible, please give us your honest, thoughtful responses to the following survey.

Families with students at multiple SPS schools can complete one survey for each student if they would like. Please click the link below to take the survey and submit it by June 17, 2022. We appreciate your time and effort in helping us grow.

In partnership,

LaTonya Simmons
