HAWK HEADLINES

Hutton Elementary School Newsletter

Principal's Message

Hello Hutton Families,

What a great first week back to school! We kicked off our first week back with a Welcome Back Assembly last Wednesday. Staff and students had the opportunity to learn and practice the expectations for behavior in all locations in our building. Teachers will continue to teach the expectations to students and provide opportunities for practice. All staff have to opportunity to give positive feedback to students when they are caught demonstrating those expectations. Soon, you should notice students coming home with Hawk High Fives. Take a moment to praise your child for their effort.

Thank you for entrusting your wonderful children with us each day. We take this responsibility very seriously. We are committed to helping your child be successful in every way. We need your help in order to do this. It is very important that attendance is a priority. Students must be present and engaged in order to learn. Access the link in order to learn more about the importance of **attendance**.

Finally, please take a moment to review our **Hutton Student and Parent Handbook** and find about ways for you to stay connected and involved in our school. Your partnership is vital to our success.

Thank you for all that you do to support our school community.

Sincerely,

Latonya Simmons

Principal
