

# Hawk Headlines

## Principal's Message:

Dear Hutton Community,

What an amazing start to the school year! Our students are so excited to return to the routine of school and learning. Our teachers have done an exceptional job of ensuring each Hutton Hawk feels welcomed into our school community. We are geared up and ready for a great year of learning.

If you new to our wonderful school, we are known for our strong parent involvement in our school. If you are looking for a way to get involved, please reach out to us and we'll get you connected. There are many opportunities for you to volunteer in our school. You can help support classroom activities, read with students, prep classroom projects for teachers or sign up to volunteer at one of our many family fun nights. I encourage you all to join us at our first community PTG meeting, on Tuesday, September 27th @ 6:30 PM in the Hutton Library. If you can't make it in person, don't fret. Our meetings this year will have both an in person and virtual option.

To volunteer, you will need to be cleared by the district. You can find more information about that [here](#). The best way to stay in the know of volunteering opportunities to be connected and involved in our PTG. Each year, the PTG generates a student directory for Hutton families. Use the URL below to include your family in this year's directory (<https://bit.ly/hutton-hawks>). You can also visit the PTG website to find out more using the link here.

Parent involvement in school is vital. Studies show that a family's engagement has a direct positive impact on a child's learning success. Your presence is needed now more than ever. Get involved today!

In partnership,
