## Principal's Message:

Dear Families,

As you know, our students' safety is a primary concern for us at Hutton. We want our children to learn and grow in a secure and safe learning environment. In our district, Personal Safety is taught each year to students from kindergarten to 6th grade. This year Personal Safety will be taught in the month of October. Your child's teacher will be giving a series of short lessons centering on aspects of Personal Safety. These lessons include Internet Safety, along with maintaining safety with strangers and friends, understanding appropriate and inappropriate touch, saying "No!" to inappropriate touching, and identifying sources of help and support available to children. If you wish to see the Internet Safety information, just log on to [www.NetSmartz.org](http://www.NetSmartz.org). There are additional materials for parents and follow up materials for students. If you have any questions or would like to preview the Personal Safety curriculum materials, please contact our school counselor, Mark McCune at 354-3030. If you have concerns about your child's participation in Personal Safety, you have the right to have your child "opt out." Please know your request will be honored without embarrassment to your child. You can opt out by contacting the school office and requesting a Student Exclusion form and returning it to our school office.

As we move into the middle of October, I wanted to share what some of our young artists are exhibiting in our hallways. If you are in the building, please don't miss the opportunity to see their artwork on display near the office.

We are looking forward to Monster Mash, hosted by our fabulous PTG folks, on October 28, 2022, from 6:00 PM-8:00PM. Please enter through the main doors and enjoy the yummy food, and play some games, while you listen to music and stories. Costumes are encouraged. If you would like to volunteer for this event, please see the link for sign up on the next page.

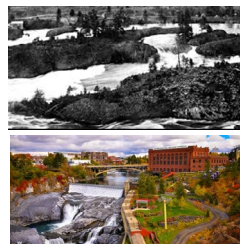

As always, thank you for all that you do to support our school community!
