Principal's Message

Dear Hutton Community,

Just like that November is upon us! October has been an exciting month filled with many exciting opportunities for our students. Last week, our 5th and 6th grade students that will attend Peperzak Middle next year, had the great opportunity to meet their future principal, Andre Wicks and the schools' namesake, Carla Peperzak. Students sat alongside approximately 400-500 other future students as they listened to Carla share stories from her life. Students listened as Carla shared her experience and recollection of the Holocaust. It was a truly powerful moment for our students. They asked really great questions and shared how they are now moved to not only share Carla's story with others, but also to be a positive change agent in their school and local community. You can read more about Carla Peperzak's story [here](#).

On October 21st, the WSU Raptor Club, a volunteer organization dedicated to the conservation of raptors and educating the public about these magnificent birds, came to Hutton! The WSU Raptor Club was founded more than four decades ago in 1981 and provide care and shelter to sick and injured raptors — like eagles, falcons, hawks, and owls — with the goal of returning them to the wild. There are times when a raptor cannot be released, and some become important ambassadors for their species in our public environmental education programs and our students were able to meet a few of the raptors, a Red-Tailed Hawk!

Thank you to the PTG for putting on an extraordinary event last Friday, October 28th, the Monster Mash!! We all had such a GREAT time

your child's success and is a most necessary habit for a productive adult life. When a child is ill, they should be kept home. A written excuse should be sent to the teacher on the first day of your child's return. Children may be excused for medical and dental appointments during school hours.

Parents are asked to call the attendance hotline (509) 354-3060 if their child is going to be absent. This is most helpful to us and assures the school of your child's safety. Should we not hear from you, you will be called to verify the child's absence. It is necessary to know the reason for the absence as the school must report certain communicable illnesses.

Pupils are never to leave the school premises during the official school day except by written permission of parents, parental phone permission, or with the principal's permission. If for some reason it is necessary that your child be dismissed before regular dismissal time, please call the office or send written notice to that effect. Parents/guardians will meet their child in the office and sign them out for the remainder of the day or the duration of an appointment."

3 Screens Assembly

Hutton students attended a great assembly on Friday, October 28th called 3-Screens.

Here is the main message of 3-Screens: "It might seem like things are so wrong in our world, in our schools, and in our lives that they just seem broken. Although we can never fix everything and have a perfect life, we can all have a good life. It comes down to attitude. If we have a YES WE CAN attitude, there will be lots of things we can fix. Even when our efforts don't seem successful, they are not wasted. By trying to fix things, we usually make them better, and we always make ourselves better!"
